## Fifth Bond Drive 'Slows To Walk; Very Discouraging'

Adams county's Fifth War Bond drive has "slowed to a walk" and the reports on this the eighth day of the campaign "are very discouraging" observers of the drive announced this morning.

Week-end purchases totaled only \$16,965 to bring the grand total to \$166,963, approximately one-sixteenth of the quota of \$2,797,000 with one-fourth of the drive completed.

"It is very discouraging. Our total is far below our faintest hope at this period of the drive. In fact we are more than \$500,000 short of what we hoped to have at this time and we only have three weeks more of the campaign," one observer said.

### "Discouraging Situation"

"Under the present tempo of progress we will just about reach one-fourth of our quota, a lamentable and discouraging situation for this county which has never failed to go over the top in the four previous campaigns.

"The critical turn of events of the war should be a stimulus for bond sales. On the contrary it seems to have resulted in a deterrent. There are some folks who believe that because we have landed in France, are making good progress in Italy and have bombed Japan with our new superfortresses that the war will soon be over.

"I only wish that were the case. However, it is not. We are far from Victory in France and Italy and Japan. Never before have our boys looked with more anxiety towards the home front. More of everything will be needed now that we have established another front. We cannot let them down now. We must give of everything we have to keep them from turning back. They are giving, giving, giving, every day, every hour. Many have lost their lives. Many more will lose their lives.

### "Not Doing Our Share"

"In the comparative safety of our own homes we are not doing our share. We are not even doing a small part of our share. Do not be misled by a reported rumor that if we continue to buy bonds the war will last longer. That is the farthest from the truth that anyone can say. It is uncharitable, unkind and unfair.

"Let us be honorable about this matter. Your Government only asks you to lend your money. The Government will pay you back with interest. That, you are guaranteed by your Government which has never failed you.

"After the last drive hundreds of our own Adams county men and women in service wrote that they were mighty happy that we had gone over the top. They said that they did not want their own folks to fail them. It is up to each individual to decide now what he intends to do about the current drive. Either we buy more bonds and do our share or we say to our own men and women in service 'nothing doing.' It's up to each of us to decide."

In today's report fifteen issuing agencies and the post offices of the county reported.

## DR. P. F. MARTIN DIES AT MOUNT

Dr. Patrick F. Martin, 67, resident physician at Mt. St. Mary's college, Emmitsburg, for the last 22 years, died at the college infirmary Sunday evening.

Dr. Martin graduated from Mt. St. Mary's in 1896 and from the University of Maryland Medical school in 1900. Upon the death of his father he took over the management of the Martin and McAndrews wholesale liquor company. For a number of years he served as coroner in both the eastern and western districts of Baltimore. He served as state president of the A.O.H. He was a member of the Knights of Columbus and Loyal Order of Moose. For many years he was a member of the medical examining board at the Mt. Hope retreat.

Surviving are five children, Lt. Patrick F., USNR, Camp May, N. J.; J. Bradley, Baltimore; Pfc. Edward A., overseas; Mrs. William R. Webb, Baltimore; and Mrs. J. Warren Tatham, Tacoma, Washington; one sister, Mrs. Agatha McGrath, Baltimore.

Funeral services Wednesday morning at 10 o'clock at Mt. St. Mary's chapel. Interment in Mt. St. Mary's cemetery.

Pvt. David Forney, Ft. Meade, Maryland, is spending a 14-day furlough here.

## Caravan Here This Evening

The war bond caravan consisting of a jeep, a Messerschmitt plane shot down in battle, an armored half-track, Navy crash crane and a Navy tractor trailer will arrive in Gettysburg this afternoon at approximately 4:30 o'clock, Mrs. Roy W. Gifford, co-chairman of the Community Activities' committee, announced this noon.

The demonstration will be held in the square this afternoon and this evening, Mrs. Gifford announced.

The itinerary of the caravan through the county, announced on Saturday, will run about one-half hour later than published, Mrs. Gifford said. The change is made for the convenience of the caravan personnel.

## WOMEN BOOST SALE OF BONDS OVER WEEK-END

Adams county's Women's division committee of the War Finance committee swelled their bond sales in the Fifth War Bond drive by \$13,150 over the week-end and added more names to the Roll of Honor league and the Victory Cradle Roll, it was announced today.

Four rural communities reported over the week-end. Littlestown headed the list with sales totaling \$9,050. Gettysburg was second with \$2,050, Fairfield third with \$1,850 and Orrtanna fourth with \$400.

To the Victory Cradle Roll have been added these names:

David E. Hartley, by Lloyd A. Biesecker, Cashtown.

Charles W. Littleton, by Paul W. Littleton, Gettysburg.

Rodney Ross Shultz, Fairfield.

Jane Louise Reuning, by Mr. and Mrs. Harold Reuning, Gettysburg.

Roll of Honor

On the Roll of Honor these names were added:

Mrs. Joseph E. Smith for Pvt. Joseph E. Smith, Jr., Gettysburg.

Pvt. Wilmer Shephard, Cpl. Donald D. McDannell, T. Sgt. Richard N. Kuhn and Cpl. John D. Kuhn, all of Cashtown.

Cpl. John E. Genzler, Jr., Pvt. George E. Ernst, S. Sgt. Charles A. Snyder, Ensign William T. Richardson; S. Sgt. Paul E. Alcott, S. Sgt. Chester S. Byers, Captain Leonard L. Potter and Sgt. Claude H. Miller, all of Littlestown.

It was announced today that the booth at the First National bank will be staffed by the following:

Monday: By a group of young women under the chairmanship of Mrs. S. A. Messner.

Tuesday: National Council of Catholic Women.

Wednesday: American Legion Auxiliary.

Thursday: Eastern Star.

Friday: Rebekahs.

Saturday: High school girls.

Open New Booth

A new booth was opened at the G. C. Murphy company store under the sponsorship of the Women of the Moose.

Bonds may be purchased daily from 7 a. m. to 5 p. m. at the booth in the lobby of the Hotel Gettysburg. On Tuesday the booth will be open throughout the day and into the evening for the convenience of those who wish to buy bonds after the war caravan completes its tour of the county.

Gettysburg women who have volunteered their services to sell bonds are urged to make their reports promptly at the booth at the Hotel Gettysburg.

Couple Observes

25th Anniversary

Mr. and Mrs. Luther Sanders, Iron Springs, observed their 25th wedding anniversary Saturday by being guests at a surprise party given by their daughter, Hazel, at the home of Mr. and Mrs. C. C. Entenman.

Guests included Mr. and Mrs. W. White and son, William, Mr. and Mrs. H. K. Reed, Mr. and Mrs. J. Gaston and daughter, Bonnie.

The couple was presented two \$25 war bonds by their children. They received a number of useful gifts from friends.

Mr. and Mrs. Sanders were married June 17, 1919, in Fettingen, Luxembourg. They have six children. Mr. Sanders is a veteran of World War I. A son, Russell, has been in service for the last two and one-half years with the Navy and another son, Calvin, recently enlisted in the Navy.

## MERCURY AT 93 HERE SUNDAY TO SET '44 RECORD

Gettysburg had its hottest day so far this year Sunday when the beaming sun pushed the mercury on the official thermometer of Dr. Henry Stewart, local weather observer, to 93 degrees.

The weather cooled a little during the night, reaching a minimum of 67 but warmed again this morning before a heavy shower brought relief.

Saturday's maximum reading was 91 degrees, the top temperature for the summer up to that time.

The heat sent hundreds of town dwellers to the country for the afternoon—gas rationing or no gas rationing—and various picnic spots and streams were well crowded with persons seeking relief from the heat.

State's Hottest Week-end

Gettysburg was not alone in experiencing a hot spell, according to The Associated Press, and the heavy rain storm this morning apparently was but an effect of a freak summer storm, accompanied by rain, hail, lightning and wind, which battered parts of eastern Pennsylvania last night, the AP said.

The Associated Press story follows: "Cooler weather was predicted today for the rest of the state, which sweltered under the season's worst heat wave over the week-end, scattered showers early today sent the mercury skidding.

"Lightning struck four Scranton homes, cut off service and felled more than 50 trees, some of which fouled trolley wires and wrecked parked automobiles.

Heavy Rain, Hail

"A third of an inch of rain fell within 10 minutes, together with hailstones—some as large as goose eggs. Winds reached a velocity of 30 miles-an-hour.

"Pittsburgh, Harrisburg and Philadelphia, with respective temperatures of 97, 96 and 93, experienced the hottest day of the year and the hottest June 18 in weather annals.

"A quarter of a million Philadelphiaans, seeking respite from the heat, jammed buses, trains and autos heading for the seashore and country.

Storm Downs Line

"William Thompson, 64-year-old Philadelphia Navy Yard worker, was overcome and died while at work. Lancaster reported one heat prostration case.

"Official temperatures: Reading, 93; Uniontown, 91; Allentown-Bethlehem airport, 90.1; Hazleton, 89.

"Miles of telephone and power lines were torn down by wind last night in the Lancaster area and utility company officials could make no forecast as to when the power would be restored."

## MISS WEAVER IS WED SATURDAY

Miss Nancy A. Weaver, daughter of Mr. and Mrs. Franklin S. Weaver, Hunterstown, became the bride of Richard E. Kammerer, Hunterstown, son of Mr. and Mrs. Alfred R. Kammerer, of Clayton, Mo., in a simple ceremony performed before the fireplace banked with pine, ferns and flowers in the home of the bride's parents, Saturday evening at 7:30 o'clock.

The single ring ceremony was performed by candlelight by the bride's uncle, the Rev. Marshall Linion of Tacony, Pa., and the Rev. Seth Russell Downie of Hunterstown. A gathering of about 50 members of the families witnessed the ceremony.

The bride, who was given in marriage by her father, was dressed in pale blue and carried a bouquet of white roses and gardenias. Her attendant was her cousin, Miss Esther Rust, of Bryn-Mawr. The best man was John K. Lott, Gettysburg. R. D. A cousin of the bride, Mrs. James P. Radel of New Jersey played the wedding march.

A reception followed the ceremony at the Weaver home and later in the evening the couple left on a wedding trip of several days without announcing their destination. Upon their return they will reside on the old Taughmubach homestead farm near Hunterstown where the bride was born as the sixth generation of her family to live on that farm. Mr. Kammerer owns the farm and has resided there for the last several years.

The bride is a graduate of Gettysburg high school and attended Ursinus college and a Philadelphia business college. She has been employed by the Bendix Aviation Corporation at Philadelphia.

PASTOR HONORED

The Rev. Robert M. Hunt, pastor of the Gettysburg Presbyterian church, has been elected president of the Harrisburg Cleric, made up of the Presbyterian ministers of the Carlisle Presbytery. The group meets monthly.

Arrive Overseas

Lt. Harvey W. Dickert has arrived safely overseas according to word received here.

Camp Hill Scouts

Visit Battlefield

Boy Scout Troop 51, of Camp Hill, returned Sunday afternoon to Camp Hill after spending the week-end camped at Pardee field on the battlefield.

George Spangler, a committee-man of the troop and 36 members of the troop took part in the camp. The group attended Sunday school at St. James Lutheran church in a body Sunday.

Miss Harper Will

Join H.S. Faculty

Miss Sue Ella Harper, near Arundelville, has accepted a position as a temporary instructor in social subjects in the Gettysburg high school. It was announced today by Superintendent L. C. Keefeauver. She will fill the position of Robert D. Fidler, who was granted a year's leave of absence to serve in the Merchant Marine.

Miss Harper is a graduate of West Virginia Wesleyan college and took advanced work in social studies at the University of Wisconsin, University of Pittsburgh and at Wesleyan college. She has 19 years of teaching experience.

## Choice: Battle To Death Or Surrender

By WES GALLAGHER

Supreme Headquarters Allied Expeditionary Force, June 19 (AP)—American troops laid siege today to the defenses of Cherbourg, third greatest naval port and arsenal of France, after reinforcing and broadening the assault corridor which had isolated the peninsula.

Between 25,000 and 30,000 Nazi defenders were cut off in the Cherbourg area. Escape appeared impossible. They had two choices—to fight to death or surrender.

The spearhead of Lt. Gen. Omar N. Bradley's spectacular drive to capture this big port, developed by Napoleon, was the U. S. Ninth Division. Capture of a French naval base would be an old story for this division, for the Ninth broke through German defenses to take Bizerte, Tunisia, 13 months ago under Maj. Gen. Manton S. Eddy.

Cut Peninsula

United States forces that severed the peninsula were busy widening their breakthrough patch to the Atlantic coast, which even last night was seven miles wide. They were driving the Germans down toward La Haye Du Puits, big road junction seven miles south of St. Sauveur Le Vicomte, into what appeared to be another trap, for one American trans-peninsular spearhead has been within four miles of La Haye for several days.

If this spearhead takes the town of La Haye, the Germans in that area will be in another pocket—between St. Lo d'Ourville and the Atlantic coast.

A third American column under Bradley's command struck south of Lisson to within six miles of St. Lo, important rail and highway junction in the Vire river valley, 42 air miles south of Cherbourg.

Brisk Actions

Almost all the advances on the Normandy beachhead reported today by Supreme Headquarters were on the American side except at Tilly-sur-Seuilles, 11 miles west of Caen, where a British division broke through German defenses in a small breach and was fighting in the streets of Tilly.

Along the rest of the beachhead front there were brisk small actions as Gen. Sir Bernard L. Montgomery, Allied ground commander, built up his forces for a typical "Moose" punch backed up by thousands of big guns.

Beach areas were quiet, with the wind at "Force Two," and unloading of men and material proceeded at a rapid rate.

One officer returning to Britain said that it was quieter behind the lines on the beachhead than in southern England, where the Germans sent over hundreds of rocket bombs, causing casualties and damage, particularly among the civilian population.

No Ships Stopped

But in six days of incessant bombardment with the new weapon, the Germans had failed to halt the dispatch of a single ship to the beachhead.

On the beachhead side the German air force virtually had disappeared, which might be an indication that Marshal Erwin Rommel was conserving his forces for an all-out attack.

German troops in the Cherbourg area are not of the highest quality, and they have been using many horse-drawn guns, many of which have been knocked out by Allied strafing planes.

The Germans have a strong perimeter defense around Cherbourg and undoubtedly Hitler's orders will be to hold on to the last. There is no chance for the German garrison. (See "WAR" On Page 2)

108 DISTRICT SCOUTERS AT BIG CAMPOREE

The largest camporee in the history of the Black Walnut district of the Boy Scouts was held during the week-end at the South Mountain fair grounds, Arundelville.

Ninety-six scouts and 12 leaders stayed overnight at the camp, which began Saturday afternoon at 2 o'clock and ended at 4 o'clock Sunday afternoon. All of the Boy Scouts and leaders who stayed overnight were awarded standard campmer badges in the closing ceremony Sunday afternoon. Every troop in the district visited the camp site during the camporee and rally with only one troop unable to stay overnight.

The quarterly court of honor and monthly district committee meeting were held in connection with the camporee Saturday night.

Attend Churches

D. D. Crisp, area field executive, complimented the scouts who took part in the event at the concluding service, stating that the scouts had made the best showing of any group of scouts in the history of the district.

Sixty of the Boy Scouts marched to Arundelville Sunday for the service at the Arundelville Reformed church where the Rev. Nevin R. Franz, assistant scoutmaster of the Arundelville troop, preached a sermon on scouting. George Inskip, Biglerville scoutmaster, held Sunday school services at the camp for a group of the scouts and Catholic.

Notify Students Of Exam Grades

Certificates showing that they have passed the recent high school entrance examination were sent to 413 Adams county youths by the county superintendent of school's office Saturday, while five additional eighth-graders who were unable to take the test when originally given were undergoing it this morning at the court house.

The county office sent letters to all of the 419 who took the test informing those who failed to pass of that fact and congratulating the number who did secure passing marks after taking the test. Most of the 419 who are now eligible for high school entrance will be sent to districts other than the school board district in which they are located in order to continue their education this fall, it was stated.

The tuition for the non-resident, high school students is paid by the district and state with the state paying from 45 to 55 per cent.

BULLETINS

Supreme Headquarters Allied Expeditionary Force, June 19 (AP)—The American Ninth Division has beaten off a German attempt to break out of the Cherbourg trap, repulsing a heavy local counterattack. Allied headquarters announced today.

Chungking, June 19 (AP)—The Chinese high command announced tonight the withdrawal of Chinese troops from the Burma road town of Lungling.

London, June 19 (AP)—The wind rose swiftly in the Strait of Dover today and by noon was blowing a gale from the north-northeast, with gusts registering up to 66 miles an hour. Conditions at sea, especially in mid-channel, were extremely bad as the gale piled the sea into a mass of high, broken waves.

The wind was coming from one of the worst possible quarters for Allied unloading operations on the beaches of Normandy.

Washington, June 19 (AP)—Ralph A. Bard, now Assistant Secretary of the Navy, was nominated by President Roosevelt today to be undersecretary. The nomination to put Bard into the spot left vacant when James V. Forrestal moved up to succeed the late Frank Knox was sent to the Senate.

## YANKS ADVANCE ALONG ENTIRE ITALIAN FRONT

By LYNN HEINZLING

Rome, June 19 (AP)—French colonial battalions captured Portoferraio and now hold the "greater part of the island of Elba," headquarters announced today, while on the Italian peninsula mud-spattered Allied troops made gains on both flanks and in the center of their line, taking Assisi, the birthplace of St. Francis.

Beating down determined German resistance on Elba, the French have rounded up several hundred prisoners, including several high officers, a communiqué said.

A field dispatch said the French had seized more than two-thirds of Elba.

Take Napoleon's Villa

Before taking Portoferraio, the capital on the north coast, the French captured Napoleon's villa. The invading French brought artillery against the German's bitterly contesting control of Porto Longone on the east coast.

Fifth and Eighth Army troops in Italy are meeting increasing resistance as they drive the Germans back toward the Pisa-Rimini line, but more villages have been taken and strong pressure is being exerted against the stubborn German garrison at the central sector road hub of Perugia, 85 miles north of Rome and about 75 miles southeast of Florence.

Eighth Army troops captured Assisi, 12 miles southeast of Perugia, and Deruta, south of the bitterly contested road junction town. A communiqué said that heavy fighting also had occurred at Città della Pieve, 22 miles southwest of Perugia. In the Adriatic sector, Allied troops are approaching the Tronto river.

**MONDAY AND TUESDAY**

A mythical South Seas paradise provides an exotic background for Universal's "Cobra Woman," latest technicolor production to star the popular trio, Maria Montez, Jon Hall and Sabu. The exciting new screen adventure comes Monday to the Majestic theatre. Featured in a distinguished supporting cast are Edgar Barrier, Lois Collier and Mary Nash. Moroni Olsen, Samuel S. Hinds and Lon Chaney have leading roles.

Action of the picturesque dramas centers around the romantic affairs of a glamorous princess and her twin sister. Miss Montez is seen in both portrayals.

**WEDNESDAY**

Movie names are connected in a variety of ways. Richard Arlen, who appears with Erich von Stroheim and Vera Ralston in Republic's "The Lady and the Monster," was born "Richard Van Mat-dmore."

"The Lady and the Monster," adapted from Curt Siodmak's best selling novel, "Donovan's Brain," is a psychological horror picture dealing with the exploits of a mad scientist.

**THURSDAY**

The Majestic theatre will open its doors Thursday to the looniest, unlust screen comedy of the year with the long awaited arrival of "Knick-erbocker Holiday." Producers Corporation of America has starring Nelson Eddy, Charles Coburn and Constance Dowling.

Set in the period of the early Dutch settlement of New Amsterdam, "Knick-erbocker Holiday" poses in a laugh filled fashion the problems of democracy in that early time when the colony was ruled by intractable old Peter Stuyvesant. This role is played by its merry hill by Charles Coburn, beloved veteran character actor.

**FRIDAY AND SATURDAY**

Betty Grable, currently starring in "Pin Up Girl."

Five costume changes in one number in five minutes!

That's the record set by Betty Grable in one of the big musical numbers in her current starring vehicle, "Pin Up Girl," a 20th Century-Fox technicolor musical with John Harvey, Martha Raye, Joe E. Brown and Eugene Pallette and featuring Charlie Spivak's orchestra. The picture opens Friday at the Majestic theatre.

Seventy chorines background Miss Grable in the singing-dancing presentation, a highlight of which is a precision drill with the glamorous seventy and Miss Grable dressed in regulation military uniforms.

**SPORTS ROUNDUP**

By HUGH FULLERTON, JR.

New York, June 17 (AP)—About 85 per cent of the athletes entered in the A. A. U. track meets this week-end are service men—which explains why the fields look something like they used to in peace time. ... Texas Charley Parker, the meet's No. 1 newcomer, claims running the 100-yard dash is a waste of time because he's a "slow starter" and is only hitting full speed when he hits the tape. (His best 100-yard time is 9:5 seconds.) ... Alva Phillips, star Greenville, South Carolina, high school halfback, turned down scholarships from several "name" colleges to sign with the Cubs, who assigned him to Nashville. ... Bob Stauber, who made the highest physical training grade ever recorded at the Iowa Navy Pre-flight school (3.8) has had three consecutive seasons of perfect fielding in baseball. Bob claims he committed only one collegiate error, which had nothing to do with scheduling that 1942 grid game with Great Lakes.

**TURNABOUT**

During the month of April this year, 37 new players reported to national league clubs and 24 to American league teams. ... In May the National unveiled 13 new newcomers and the American 12. ... By mid-June most of them were back where they came from.

**SHORTS AND SHELLS**

Bob Kurland, the seven-foot Oklahoma Aggie basketball, has gone home to Jennings, Missouri, for the apple picking season and the Aggies tub-thumper, Otis Wile, reports Bob Wile is the best natural-built apple picker in Nowaday county. "They have hired him special to top out the trees after the low-limb pickers have passed," Otis explained. "I understand that his jump and spin snatch of a high apple is something to see and marvel at." ... Don't be surprised if Chili Walsh gives up coaching the Cleveland Rams to devote all his time to the front office. ... Bob Keely, new Cardinal catcher, is an expert in acoustical tile installation. Maybe he should install some in his teammates' ears before their next visit to Brooklyn.

**SERVICE DEPARTMENT**

Milt Rosner, who managed the Camp Wheeler, Georgia, spokes to the National semi-pro baseball title last summer, now pilots the Stark General hospital team in the Charleston, South Carolina, league. ... Pvt. Wallace J. Hicks, former Maryville, Ohio, teachers basketball, is on Bougainville as an M. P. ... Sgt. Raymond Terrell, ex-Mississippi U. footballer whom the Marines made a judo expert, credits his watermelon-throwing days around Water Valley, Mississippi, for much of his athletic success. ... The reason why baseballers at the New Orleans Naval armed guard center have adopted the voice's "All or Nothing at All" as their theme song is that the baseball and football clubs, made up of the same players, stand respectively first and last in the city USO league.

**TURNESA TIED WITH NELSON IN GOLF MATCH**

By FRITZ HOWELL

New Rochelle, N. Y., June 17 (AP)—The Marshalls were really martial today at Wykagyl's tricky course, for they called out the Army to guard the golfers from the galloping galleries on the last two 18-hole rounds of the \$13,333 Red Cross tournament.

With the long jaunts of the 72-hole nip-and-tuck medal play test scheduled today and Sunday, a contingent of 90 soldiers moved in last night, pitched their tents, ate a field-prepared macaroni meal, and prepared to stem the stampeding spectators over the up-hill and down-dale course.

With 36 holes out of the way in the race for the war bonds, six stars were under par, three others were even and 11 others were no more than two strokes away, pressing a scrap right down to the final hole.

Turnesa, Nelson Lead

Out front were Mike Turnesa of White Plains, N. Y., and Byron (Lord) Nelson of Toledo, Ohio, with scores of 138, or six under regulation figures. Nelson, shooting the most consistent golf in the field, as expected, raced out front with a pair of 68's, while Turnesa did it with a 71 and a 67.

Harold (Jug) McSpaden, the big winter tour from Philadelphia, was next with 139 after a comforting 68 yesterday, and Vic Ghezzi, the lanky Army sergeant from Deal, N. J., first-day leader with 67, was fourth with 140 after a second-round 73.

Also under par were Ziggy Mellon of Bronxville, N. Y., and Andrew Lapola of Wayne, N. J., with 143 each, while in an even-par knot at 144 were Tony Penns of Dayton, Ohio, and two Pennsylvanians, Bud Lewis of Philadelphia and Morris Cravato of Williamsport.

Sam Byrd of Detroit, winner of the recent Philadelphia \$17,500 open, was nine strokes back of the leaders with 147; Craig Wood, the duration national open champion from Mamaroneck, N. Y., had 146, and Verlene Gene Sarazen, the squire of Darien, Conn., had 145. Don Mariano of Belleville, N. J., with a par-shattering 67 yesterday, paced the amateurs into the third round with 145.

**JAMESTOWN IS DOUBLE VICTOR**

Buffalo, N. Y., June 17 (AP)—Jamestown took both ends of a doubleheader, 8-5 and 10-4, last night to make it three straight over Bradford in the third of a four-game Pony league series.

Oliver Carnegie, Don Hasenmeyer, and Ed Yeash tripled for three of the Falcon's nine first-game hits. Hasenmeyer, league triple leader, pushed his season's total to 12.

The Blue Wing errors, coupled with two Falcon hits, gave Jamestown four runs and a 6-1 lead in the sixth inning of the second game. Triples by Carnegie and Moyer scored three more Falcon runs in the seventh.

Wellsville defeated Lockport 7-6 when outfielder John Kinloch doubled in the ninth with two men on.

Batavia pitcher Palmisano allowed Hornell only five hits to give the Clippers a 9-0 shut out. The Clippers pounded two Pirate hurlers for 14 hits.

The Erie Sailors, scoring four runs on four hits in the fifth, defeated Olean 5-3. Jim Tucker allowed Olean six hits. The Sailors took seven from Hubert Urban.

# 25,000 Nazis Trapped In Cherbourg

## Fifth Bond Drive 'Slows To Walk; Very Discouraging'

Adams county's Fifth War Bond drive has "slowed to a walk" and the reports on this the eighth day of the campaign "are very discouraging" observers of the drive announced this morning.

Week-end purchases totaled only \$16,965 to bring the grand total to \$166,963, approximately one-sixteenth of the quota of \$2,797,000 with one-fourth of the drive completed.

"It is very discouraging. Our total is far below our faintest hope at this period of the drive. In fact we are more than \$500,000 short of what we hoped to have at this time and we only have three weeks more of the campaign," one observer said.

### "Discouraging Situation"

"Under the present tempo of progress we will just about reach one-fourth of our quota, a lamentable and discouraging situation for this county which has never failed to go over the top in the four previous campaigns.

"The critical turn of events of the war should be a stimulus for bond sales. On the contrary it seems to have resulted in a deterrent. There are some folks who believe that because we have landed in France, are making good progress in Italy and have bombed Japan with our new superfortresses that the war will soon be over.

"I only wish that were the case. However, it is not. We are far from Victory in France and Italy and Japan. Never before have our boys looked with more anxiety towards the home front. More of everything will be needed now that we have established another front. We cannot let them down now. We must give of everything we have to keep them from turning back. They are giving, giving, giving, every day, every hour. Many have lost their lives. Many more will lose their lives.

### "Not Doing Our Share"

"In the comparative safety of our own homes we are not doing our share. We are not even doing a small part of our share. Do not be misled by a reported rumor that if we continue to buy bonds the war will last longer. That is the farthest from the truth that anyone can say. It is uncharitable, unkind and unfair.

"Let us be honorable about this matter. Your Government only asks you to lend your money. The Government will pay you back with interest. That, you are guaranteed by your Government which has never failed you.

"After the last drive hundreds of our own Adams county men and women in service wrote that they were mighty happy that they had gone over the top. They said that they did not want their own folks to fail them. It is up to each individual to decide now what he intends to do about the current drive. Either we buy more bonds and do our share or we say to our own men and women in service 'nothing doing.' It's up to each of us to decide."

In today's report fifteen issuing agencies and the post offices of the county reported.

## DR. P. F. MARTIN DIES AT MOUNT

Dr. Patrick F. Martin, 67, resident physician at Mt. St. Mary's college, Emmitsburg, for the last 22 years, died at the college infirmary Sunday evening.

Dr. Martin graduated from Mt. St. Mary's in 1896 and from the University of Maryland Medical school in 1900. Upon the death of his father he took over the management of the Martin and McAndrews wholesale liquor company. For a number of years he served as coroner in both the eastern and western districts of Baltimore. He served as state president of the A.O.H. He was a member of the Knights of Columbus and Loyal Order of Moose. For many years he was a member of the medical examining board at the Mt. Hope retreat.

Surviving are five children, Lt. Patrick F. USNR, Camp May, N. J.; J. Bradley, Baltimore; Pte. Edward A., overseas; Mrs. William R. Webb, Baltimore; and Mrs. J. Warren Tatham, Tacoma, Washington; one sister, Mrs. Agatha McGrath, Baltimore.

Funeral services Wednesday morning at 10 o'clock at Mt. St. Mary's chapel. Interment in Mt. St. Mary's cemetery.

Pvt. David Forney, Ft. Meade, Maryland, is spending a 14-day furlough here.

## Caravan Here This Evening

The war bond caravan consisting of a jeep, a Messerschmitt plane shot down in battle, an armored half-track, Navy crash crane and a Navy tractor trailer will arrive in Gettysburg this afternoon at approximately 4:30 o'clock, Mrs. Roy W. Gifford, co-chairman of the Community Activities' committee, announced this noon.

The demonstration will be held in the square this afternoon and this evening, Mrs. Gifford announced.

The itinerary of the caravan through the county, announced on Saturday, will run about one-half hour later than published, Mrs. Gifford said. The change is made for the convenience of the caravan personnel.

## WOMEN BOOST SALE OF BONDS OVER WEEK-END

Adams county's Women's division committee of the War Finance committee stalled their bond sales in the Fifth War Bond drive by \$13,150 over the week-end and added more names to the Roll of Honor league and the Victory Circle Roll. It was announced today.

Four rural communities reported over the week-end. Littlestown headed the list with sales totaling \$9,050. Gettysburg was second with \$2,050, Fairfield third with \$1,650 and Orrtanna fourth with \$400.

To the Victory Circle Roll have been added these names:

David E. Bartley, by Lloyd A. Bieseker, Cashtown.

Charles W. Littleton, by Paul W. Littleton, Gettysburg.

Rodney Ross Shultz, Fairfield.

Jane Louise Reuning, by Mr. and Mrs. Harold Reuning, Gettysburg.

Roll of Honor

On the Roll of Honor these names were added:

Mrs. Joseph E. Smith for Pte. Joseph E. Smith, Jr., Gettysburg.

Pvt. Wilmer Sheppard, Cpl. Donald D. McDannell, T. Sgt. Richard N. Kuhn and Cpl. John D. Kuhn, all of Cashtown.

Cpl. John E. Gentzler, Jr., Pte. George E. Ernst, S. Sgt. Charles A. Snyder, Ensign William T. Richardson; S. Sgt. Paul E. Alkoff, S. Sgt. Chester S. Byers, Captain Leonard L. Potter and Sgt. Claude H. Miller, all of Littlestown.

It was announced today that the booth at the First National bank will be staffed by the following:

Monday: By a group of young women under the chairmanship of Mrs. S. A. Messner.

Tuesday: National Council of Catholic Women.

Wednesday: American Legion Auxiliary.

Thursday: Eastern Star.

Friday: Rebekahs.

Saturday: High school girls.

Open New Booth

A new booth was opened at the G. C. Murphy company store under the sponsorship of the Women of the Moose.

Bonds may be purchased daily from 7 a. m. to 5 p. m. at the booth in the lobby of the Hotel Gettysburg. On Tuesday the booth will be open throughout the day and into the evening for the convenience of those who wish to buy bonds after the war caravan completes its tour of the county.

Gettysburg women who have volunteered their services to sell bonds are urged to make their reports promptly, at the booth at the Hotel Gettysburg.

## Couple Observes 25th Anniversary

Mr. and Mrs. Luther Sanders, Iron Springs, observed their 25th wedding anniversary Saturday by being guests at a surprise party given by their daughter, Hazel, at the home of Mr. and Mrs. C. C. Entenman.

Guests included Mr. and Mrs. W. White and son, William, Mr. and Mrs. H. K. Reed, Mr. and Mrs. J. Gaston and daughter, Bonnie.

The couple was presented two \$25 war bonds by their children. They received a number of useful gifts from friends.

Mr. and Mrs. Sanders were married June 17, 1919, in Fettingen, Luxembourg. They have six children. Mr. Sanders is a veteran of World War I. A son, Russell, has been in service for the last two and one-half years with the Navy and another son, Calvin, recently enlisted in the Navy.

## MERCURY AT 93 HERE SUNDAY TO SET '44 RECORD

Gettysburg had its hottest day so far this year Sunday when the beaming sun pushed the mercury on the official thermometer of Dr. Henry Stewart, local weather observer, to 93 degrees.

The weather cooled a little during the night, reaching a minimum of 67 but warmed again this morning before a heavy shower brought relief.

Saturday's maximum reading was 91 degrees, the top temperature for the summer up to that time.

The heat sent hundreds of town dwellers to the country for the afternoon—gas rationing or no gas rationing—and various picnic spots and streams were well crowded with persons seeking relief from the heat.

State's Hottest Week-end

Gettysburg was not alone in experiencing a hot spell, according to The Associated Press, and the heavy rain storm this morning apparently was but an effect of a freak summer storm, accompanied by rain, hail, lightning and wind, which battered parts of eastern Pennsylvania last night, the AP said.

The Associated Press story follows: "Cooler weather was predicted today for the rest of the state, which sweltered under the season's worst heat wave over the week-end, scattered showers early today sent the mercury sliding.

Lightning struck four Scranton homes, cut off service and felled more than 50 trees, some of which fouled trolley wires and wrecked parked automobiles.

Heavy Rain, Hail

A third of an inch of rain fell within 10 minutes, together with hailstones—some as large as goose eggs. Winds reached a velocity of 30-miles-an-hour.

"Pittsburgh, Harrisburg and Philadelphia, with respective temperatures of 97, 96 and 95, experienced the hottest day of the year, and the hottest June 18 in weather annals.

"A quarter of a million Philadelphians, seeking respite from the heat, jammed buses, trains and autos heading for the seashore and country.

Storm Downs Line

"William Thompson, 64-year-old Philadelphia Navy Yard worker, was overcome and died while at work. Lancaster reported one heat prostration case.

"Official temperatures: Reading, 93; Uniontown, 91; Allentown-Bethlehem airport, 90.1; Hazleton, 89.

"Miles of telephone and power lines were torn down by wind last night in the Lancaster area and utility company officials could make no forecast as to when the power would be restored."

## Hospital Report

Paul Edward Bortersox, Westminster; Albie Starnes, Aspers; Leonora Jane Bigham, West Broadway; and Horace Luther Evely, East Middle street, submitted to operations at the Warner hospital this morning for the removal of their tonsils.

Admissions included Pauline Rogers, 69 East Middle street; George Lawrence, Gettysburg R. 1; Mrs. George Riley, Gardner's R. 1; Mrs. Earl Adelberger, Fairfield R. 1; Novella Dinterman, Graceham, Md.; Mrs. Charles J. Miller, Biglerville; and Kenneth Joy, Emmitsburg. Those discharged were Mrs. Charles Zeigler, Gettysburg R. 3; Mrs. Arthur Roth and infant daughter, Catharine Ellen, Orrtanna; Roy Sullivan, Biglerville; Mrs. William G. Clinefelter and infant daughter, Ariene Virginia, Gettysburg R. 2; Mrs. Maurice Sharran and infant daughter, Patricia Mae, Gettysburg R. 1; Mrs. Samuel Weiser, East Lincoln avenue; Raymond Staub, Westminster, and Paul Myers, Gettysburg.

## Camp Hill Scouts Visit Battlefield

Boy Scout Troop 51, of Camp Hill, returned Sunday afternoon to Camp Hill after spending the week-end camped at Pardee field on the battlefield.

George Spangler, a committee-man of the troop and 30 members of the troop took part in the camp. The group attended Sunday school at St. James Lutheran church in a body Sunday.

## Miss Harper Will Join H.S. Faculty

Miss Sue Ella Harper, near Arundelville has accepted a position as a temporary instructor in social subjects in the Gettysburg high school, it was announced today by Superintendent L. C. Keefe. She will fill the position of Robert D. Fidler, who was granted a year's leave of absence to serve in the Merchant Marine.

Miss Harper is a graduate of West Virginia Wesleyan college and took advanced work in social studies at the University of Wisconsin, University of Pittsburgh and at Wesleyan college. She has 19 years of teaching experience.

## 108 DISTRICT SCOUTERS AT BIG CAMPOREE

The largest camporee in the history of the Black Walnut district of the Boy Scouts was held during the week-end at the South Mountain fair grounds, Arundelville.

Ninety-six scouts and 12 leaders stayed overnight at the camp, which began Saturday afternoon at 2 o'clock and ended at 4 o'clock Sunday afternoon. All of the Boy Scouts and leaders who stayed overnight were awarded standard campfire badges in the closing ceremony Sunday afternoon. Every troop in the district visited the camp site during the camporee and rally with only one troop unable to stay overnight.

The quarterly court of honor and monthly district committee meeting were held in connection with the camporee Saturday night.

Attend Churches

D. D. Crisp, area field executive, complimented the scouts who took part in the event at the concluding service, stating that the scouts had made the best showing of any group of scouts in the history of the district.

Sixty of the Boy Scouts marched to Arundelville Sunday for the service at the Arundelville Reformed church where the Rev. Nevyn R. Frantz, assistant scoutmaster of the Arundelville troop, preached a sermon on scouting. George Inskip, Biglerville scoutmaster, held Sunday school services at the camp for a group of the scouts and Catholic (Please Turn to Page 5)

## MISS WEAVER IS WED SATURDAY

Miss Nancy A. Weaver, daughter of Mr. and Mrs. Franklin S. Weaver, Hunkertown, became the bride of Richard E. Kammerer, Hunkertown, son of Mr. and Mrs. Alfred R. Kammerer of Clayton, Mo., in a simple ceremony performed before the fireplace banked with pine, ferns and flowers in the home of the bride's parents, Saturday evening at 7:30 o'clock.

The single ring ceremony was performed by candlelight by the bride's uncle, the Rev. Marshall Linton of Tacony, Pa., and the Rev. Seth Russell Downie of Hunkertown. A gathering of about 50 members of the families witnessed the ceremony.

The bride, who was given in marriage by her father, was dressed in pale blue and carried a bouquet of white roses and gardenias. Her attendant was her cousin, Miss Esther Ruit, of Bryn-Mawr. The best man was John K. Lott, Gettysburg R. D. A cousin of the bride, Mrs. James P. Radet of New Jersey played the wedding march.

A reception followed the ceremony at the Weaver home and later in the evening the couple left on a wedding trip of several days without announcing their destination. Upon their return they will reside on the old Taughanbaugh homestead farm near Hunkertown where the bride was born as the sixth generation of her family to live on that farm. Mr. Kammerer owns the farm and has resided there for the last several years.

The bride is a graduate of Gettysburg high school and attended Ursinus college and a Philadelphia business college. She has been employed by the Bendix Aviation Corporation at Philadelphia.

## PASTOR HONORED

The Rev. Robert M. Hunt, pastor of the Gettysburg Presbyterian church, has been elected president of the Harrisburg Cleric, made up of the Presbyterian ministers of the Carlisle Presbytery. The group meets monthly.

## Notify Students Of Exam Grades

Certificates showing that they have passed the recent high school entrance examination were sent to 413 Adams county youths by the county superintendent of schools' office Saturday, while five additional eighth-graders who were unable to take the test when originally given were undergoing it this morning at the court house.

The county office sent letters to all of the 419 who took the test informing those who failed to pass of that fact and congratulating the number who did secure passing marks after taking the test. Most of the 413 who are now eligible for high school entrance will be sent to districts other than the school board district in which they are located in order to continue their education this fall, it was stated.

The tuition for the non-resident high school students is paid by the district and state with the state paying from \$5 to \$55 per cent.

## BULLETINS

Supreme Headquarters Allied Expeditionary Force, June 19 (AP)—The American Ninth Division has beaten off a German attempt to break out of the Cherbourg trap, repulsing a heavy local counterattack, Allied headquarters announced today.

Chungking, June 19 (AP)—The Chinese high command announced tonight the withdrawal of Chinese troops from the Burma road town of Lungling.

London, June 19 (AP)—The wind rose swiftly in the Strait of Dover today and by noon was blowing a gale from the north-northeast, with gusts registering up to 60 miles an hour. Conditions at sea, especially in mid-channel, were extremely bad as the gale piled the sea into a mass of high, broken waves.

The wind was coming from one of the worst possible quarters for Allied unloading operations on the beaches of Normandy.

Washington, June 19 (AP)—Ralph A. Bard, now Assistant Secretary of the Navy, was nominated by President Roosevelt today to be undersecretary. The nomination to put Bard into the spot left vacant when James V. Forrestal moved up to succeed the late Frank Knox was sent to the Senate.

## YANKS ADVANCE ALONG ENTIRE ITALIAN FRONT

By LYNN HEINZERLING

Rome, June 19 (AP)—French colonial battalions captured Portoferrato and now hold the "greater part of the island of Elba," headquarters announced today, while on the Italian peninsula mud-spattered Allied troops made gains on both flanks and in the center of their line, taking Assisi, the birthplace of St. Francis.

Beating down determined German resistance on Elba, the French have rounded up several hundred prisoners, including several high officers, a communiqué said.

A field dispatch said the French had seized more than two-thirds of Elba.

Take Napoleon's Villa

Before taking Portoferrato, the capital on the north coast, the French captured Napoleon's villa. The invading French brought artillery against the German's bitterly contesting control of Porto Longone on the east coast.

Fifth and Eighth Army troops in Italy are meeting increasing resistance as they drive the Germans back toward the Pisa-Rimini line, but more villages have been taken and strong pressure is being exerted against the stubborn German garrisons at the central sector road hub of Perugia, 85 miles north of Rome and about 72 miles southeast of Florence.

Eighty Army troops captured Assisi, 12 miles southeast of Perugia, and Deruta, south of the bitterly contested road junction town. A communiqué said that heavy fighting also had occurred at Città della Pieve, 22 miles southwest of Perugia. In the Adriatic sector, Allied troops are approaching the Tonto river.

## Two Divorce Suits Opened In Court

Two suits in divorce were filed Saturday with the county courts.

Arthur A. Taylor, Gardner's R. 1 is seeking a divorce from Mary (Bishop) Taylor, New Cumberland, on grounds of cruel and barbarous treatment and indignities to person, according to a brief filed by Taylor's attorney J. Francis Yoke, Jr., Esq.

Nellie Louise Lawther, Gettysburg, is seeking a divorce from Oliver F. Lawther, on charges of desertion, according to a brief filed by Mrs. Lawther's attorneys, Swope, Brown and Skope Esqs.

On the beachhead side the German air force virtually had disappeared, which might be an indication that Marshal Erwin Rommel was conserving his forces for an all-out attack.

German troops in the Cherbourg area are not of the highest quality and they have been using many horse-drawn guns, many of which have been knocked out by Allied strafing planes.

The Germans have a strong perimeter defense around Cherbourg and undoubtedly Hitler's orders will be to hold on to the last. There is no chance for the German garrison (See "WAR" On Page 2)

By WES GALLAGHER

Supreme Headquarters Allied Expeditionary Force, June 19 (AP)—American troops laid siege today to the defenses of Cherbourg, third greatest naval port and arsenal of France, after reinforcing and broadening the assault corridor which had isolated the peninsula.

Between 25,000 and 30,000 Nazi defenders were cut off in the Cherbourg area. Escape appeared impossible. They had two choices—to fight to death or surrender.

The spearhead of Lt. Gen. Omar N. Bradley's spectacular drive to capture this big port, developed by Napoleon, was the U. S. Ninth Division. Capture of a French naval base would be an old story for this division, for the Ninth broke through German defenses to take Bizerte, Tunisia, 13 months ago under Maj. Gen. Manton S. Eddy.

Cut Peninsula

United States forces that severed the peninsula were busy widening their breakthrough patch to the Atlantic coast, which even last night was seven miles wide. They were driving the Germans down toward La Haye Du Puits, big road junction several miles south of St. Sauveur Le Vicomte, into what appeared to be another trap, for one American trans-peninsular spearhead has been within four miles of La Haye for several days.

If this spearhead takes the town of La Haye, the Germans in that area will be in another pocket—between St. Lo D'Ourville and the Atlantic coast.

A third American column under Bradley's command struck south of Lion to within six miles of St. Lo, important rail and highway junction in the Vire river valley, 42 air miles south of Cherbourg.

Brisk Actions

Almost all the advances on the Normandy beachhead reported today by Supreme Headquarters were on the American side except at Tilly-sur-Seuilles, 11 miles west of Caen, where a British division broke through German defenses in a small breach and was fighting in the streets of Tilly.

All along the rest of the beachhead front there were brisk small actions as Gen. Sir Bernard L. Montgomery, Allied ground commander, built up his forces for a typical "Monty" punch backed up by thousands of big guns.

Beach areas were quiet, with the wind at "Force Two," and unloading of men and material proceeded at a rapid rate.

One officer returning to Britain said that it was quieter behind the lines on the beachhead than in southern England, where the Germans sent over hundreds of rocket bombs, causing casualties and damage, particularly among the civilian population.

No Ships Stopped

But in six days of incessant bombardment with the new weapon, the Germans had failed to halt the dispatch of a single ship to the beachhead.

On the beachhead side the German air force virtually had disappeared, which might be an indication that Marshal Erwin Rommel was conserving his forces for an all-out attack.

German troops in the Cherbourg area are not of the highest quality and they have been using many horse-drawn guns, many of which have been knocked out by Allied strafing planes.

## Fifth Bond Drive 'Slows To Walk; Very Discouraging'

Adams county's Fifth War Bond drive has "slowed to a walk" and the reports on this the eighth day of the campaign "are very discouraging" observers of the drive announced this morning.

Week-end purchases totaled only \$16,965 to bring the grand total to \$166,963, approximately one-sixteenth of the quota of \$2,797,000 with one-fourth of the drive completed.

"It is very discouraging. Our total is far below our faintest hope at this period of the drive. In fact we are more than \$500,000 short of what we hoped to have at this time and we only have three weeks more of the campaign," one observer said.

### "Discouraging Situation"

"Under the present tempo of progress we will just about reach one-fourth of our quota, a lamentable and discouraging situation for this county which has never failed to go over the top in the four previous campaigns.

"The critical turn of events of the war should be a stimulus for bond sales. On the contrary it seems to have resulted in a deterrent. There are some folks who believe that because we have landed in France, are making good progress in Italy and have bombed Japan with our new superfortresses that the war will soon be over.

"I only wish that were the case. However it is not. We are far from victory in France and Italy and Japan. Never before have our boys looked with more anxiety towards the home front. More of everything will be needed now that we have established another front. We cannot let them down now. We must give of everything we have to keep them from turning back. They are giving, giving, giving, every day, every hour. Many have lost their lives. Many more will lose their lives.

### "Not Doing Our Share"

"In the comparative safety of our own homes we are not doing our share. We are not even doing a small part of our share. Do not be misled by a reported rumor that if we continue to buy bonds the war will last longer. That is the farthest from the truth that anyone can say. It is uncharitable, unkind and unfair.

## 108 DISTRICT SCOUTERS AT BIG CAMPOREE

The largest camporee in the history of the Black Walnut district of the Boy Scouts was held during the week-end at the South Mountain fair grounds, Arundelville.

Ninety-six scouts and 12 leaders stayed overnight at the camp, which began Saturday afternoon at 2 o'clock and ended at 4 o'clock Sunday afternoon. All of the Boy Scouts and leaders who stayed overnight were awarded standard camper badges in the closing ceremony Sunday afternoon. Every troop in the district visited the camp site during the camporee and rally with only one troop unable to stay overnight.

The quarterly court of honor and monthly district committee meeting were held in connection with the camporee Saturday night.

Attend Churches

D. D. Crisp, area field executive, complimented the scouts who took part in the event at the concluding service, stating that the scouts had made the best showing of any group of scouts in the history of the district.

Sixty of the Boy Scouts marched to Arundelville Sunday for the service at the Arundelville Reformed church where the Rev. Nevin R. Prantz, assistant scoutmaster of the Arundelville troop, preached a sermon on scouting. George Inskip, Biglerville scoutmaster, held Sunday school services at the camp for a group of the scouts and Catholic

## MISS WEAVER IS WED SATURDAY

Miss Nancy A. Weaver, daughter of Mr. and Mrs. Franklin S. Weaver, Hunterstown, became the bride of Richard E. Kammerer, Hunterstown, son of Mr. and Mrs. Alfred R. Kammerer of Clayton, Mo., in a simple ceremony performed before the fireplace banked with pine, ferns and flowers in the home of the bride's parents, Saturday evening at 7:30 o'clock.

The single ring ceremony was performed by candlelight by the bride's uncle, the Rev. Marshall Linton of Tacony, Pa., and the Rev. Seth Russell Dowdle of Hunterstown. A gathering of about 50 members of the families witnessed the ceremony.

The bride, who was given in marriage by her father, was dressed in pale blue and carried a bouquet of white rosebuds and gardenias. Her attendant was her cousin, Miss Esther Rutt, of Bryn-Mawr. The best man was John K. Lott, Gettysburg R. D. A cousin of the bride, Mrs. James P. Radel of New Jersey played the wedding march.

A reception followed the ceremony at the Weaver home and later in the evening the couple left on a wedding trip of several days without announcing their destination. Upon their return they will reside on the old Taughnbaugh homestead farm near Hunterstown where the bride was born as the sixth generation of her family to live on that farm. Mr. Kammerer owns the farm and has resided there for the last several years.

The bride is a graduate of Gettysburg high school and attended Ursinus college and a Philadelphia business college. She has been employed by the Bendix Aviation Corporation at Philadelphia.

## PASTOR HONORED

## Notify Students Of Exam Grades

Certificates showing that they have passed the recent high school entrance examination were sent to 413 Adams county youths by the county superintendent of schools' office Saturday, while five additional eighth-graders who were unable to take the test when originally given were undergoing it this morning at the court house.

The county office sent letters to all of the 419 who took the test informing those who failed to pass of that fact and congratulating the number who did secure passing marks after taking the test. Most of the 413 who are now eligible for high school entrance will be sent to districts other than the school board district in which they are located in order to continue their education this fall, it was stated. The tuition for the non-resident high school students is paid by the district and state with the state paying from 45 to 55 per cent.

## BULLETINS

Supreme Headquarters Allied Expeditionary Force, June 19 (AP)—The American Ninth Division has beaten off a German attempt to break out of the Cherbourg trap, repulsing a heavy local counterattack. Allied headquarters announced today.

Chungking, June 19 (AP)—The Chinese high command announced tonight the withdrawal of Chinese troops from the Burma road town of Lungling.

London, June 19 (AP)—The wind rose swiftly in the Strait of Dover today and by noon was blowing a gale from the north-northeast, with gusts registering up to 60 miles an hour. Conditions at sea, especially in mid-channel, were extremely bad as the gale piled the sea into a mass of high, broken waves.

The wind was coming from one of the worst possible quarters for Allied unloading operations on the beaches of Normandy.

Washington, June 19 (AP)—Ralph A. Bard, now Assistant Secretary of the Navy, was nominated by President Roosevelt today to be undersecretary. The nomination to put Bard into the spot left vacant when James V. Forrestal moved up to succeed the late Frank Knox was sent to the Senate.

## YANKS ADVANCE ALONG ENTIRE ITALIAN FRONT

By LYNN HEINZERLING

Rome, June 19 (AP)—French colonial battalions captured Portoferraio and now hold the "greater part of the island of Elba," headquarters announced today, while on the Italian peninsula mud-spattered Allied troops made gains on both flanks and in the center of their line, taking Assisi, the birthplace of St. Francis.

Beating down determined German resistance on Elba, the French have rounded up several hundred prisoners, including several high officers, a communicable said.

A field dispatch said the French had seized more than two-thirds of Elba.

Take Napoleon's Villa

Before taking Portoferraio, the capital on the north coast, the French captured Napoleon's villa. The invading French brought artillery against the German's bitterly contesting control of Porto Longone on the east coast.

Fifth and Eighth Army troops in Italy are meeting increasing resistance as they drive the Germans back toward the Pisa-Rimini line, but more villages have been taken and strong pressure is being exerted against the stubborn German garrison at the central sector road hub of Perugia, 85 miles north of Rome and about 72 miles southeast of Florence.

Eight Army troops captured Assisi, 12 miles southeast of Perugia, and Deruta, south of the bitterly contested road junction town. A communique said that heavy fighting also had occurred at Citta Della Pieve, 22 miles southwest of Perugia. In the Adriatic sector, Allied troops are approaching the Tronto river.

## Two Divorce Suits Opened In Court

Two libels in divorce were filed Saturday with the county courts.

Arthur A. Taylor, Gardners R. 1 is seeking a divorce from Mary (Bishop) Taylor, New Cumberland, on grounds of cruel and barbarous treatment and indignities to person, according to a libel filed by Taylor's attorney, J. Francis Yoke, Jr., Esq.

Nellie Louise Lawther, Gettysburg, is seeking a divorce from Oliver F. Lawther, on charges of desertion, according to a libel filed by Mrs. Lawther's attorneys, Swope, Brown and Swope, Esqs.

## By WES GALLAGHER Supreme Headquarters Allied Expeditionary Force, June 19 (AP)

—American troops laid siege today to the defenses of Cherbourg, third greatest naval port and arsenal of France, after reinforcing and broadening the assault corridor which had isolated the peninsula.

Between 25,000 and 30,000 Nazi defenders were cut off in the Cherbourg area. Escape appeared impossible. They had two choices—to fight to death or surrender.

The spearhead of Lt. Gen. Omar N. Bradley's spectacular drive to capture this big port, developed by Napoleon, was the U. S. Ninth Division. Capture of a French naval base would be an old story for this division, for the Ninth broke through German defenses to take Bizerte, Tunisia, 13 months ago under Maj. Gen. Manton S. Eddy.

### Cut Peninsula

United States forces that severed the peninsula were busy widening their breakthrough patch to the Atlantic coast, which even last night was seven miles wide. They were driving the Germans down toward La Haye Du Puits, big road junction seven miles south of St. Sauveur Le Vicomte, into what appeared to be another trap, for one American trans-peninsular spearhead has been within four miles of La Haye for several days.

If this spearhead takes the town of La Haye, the Germans in that area will be in another pocket—between St. Lo D'Ourville and the Atlantic coast.

A third American column under Bradley's command struck south of Lisson to within six miles of St. Lo, important rail and highway junction in the Vire river valley, 42 air miles south of Cherbourg.

### Brisk Advances

Almost all the advances on the Normandy beachhead reported today by Supreme Headquarters were on the American side except at Tilly-sur-Seulles, 11 miles west of Caen, where a British division broke through German defenses in a small breach and was fighting in the streets of Tilly.

All along the rest of the beachhead front there were brisk small actions as Gen. Sir Bernard L. Montgomery, Allied ground commander, built up his forces for a typical "Monty" punch backed up by thousands of big guns.

Beach areas were quiet, with the wind at "Force Two," and unloading of men and materiel proceeded at a rapid rate.

One officer returning to Britain said that it was quieter behind the lines on the beachhead than in southern England, where the Germans sent over hundreds of rocket bombs, causing casualties and damage, particularly among the civilian population.

### No Ships Stopped

But in six days of incessant bombardment with the new weapon, the Germans had failed to halt the dispatch of a single ship to the beachhead.

On the beachhead side the German air force virtually had disappeared, which might be an indication that Marshal Erwin Rommel was conserving his forces for an all-out attack.

German troops in the Cherbourg area are not of the highest quality, and they have been using many horse-drawn guns, many of which have been knocked out by Allied strafing planes.

The Germans have a strong perimeter defense around Cherbourg and undoubtedly Hitler's orders will be to hold on to the last. There is no chance for the German garrison (See "WAR" On Page 2)

# FORTNIGHT HAS PROVED ALLIED GAINS SECURE

By J. M. ROBERTS, JR.

Substituting for Dewitt MacKenzie.

The faithful fortnight which has encompassed Allied plans and fears for more than two years ends tonight, and the Germans have failed to mount either the beachhead defense or the massive counter-attack which had been expected.

As a matter of fact, a comparatively small Allied initial force, harassed by unseasonably bad weather which interferes with both reinforcement and supply, has engaged approximately one-fourth of the estimated German strength in France and found it only a humdrum.

**Beachhead Is Secure**

To be sure, undue optimism is never proper when dealing with the Reichswehr. You can be sure that it has been busy repairing road blocks and bridges swept by the pre-invasion aerial hurricane of the Allies. Paris is a hundred miles away, we have been only preparing to go there, and there may be Cassinos on the way.

But as the fortnight ends during which we expected to learn whether the beachhead would be secure, we do learn, and it is. Not only that, but the campaign for capture of a great port, through which reinforcements can flow by the tens of thousands rather than the hundreds and thousands possible on the open beach, moves, truly according to plan. Word from the Cherbourg peninsula is that the Americans crossed to the western shore through the very points, along the very country roads, as envisaged long ago in the offices of the planners.

**May Spoil Cherbourg**

There may not be any refugees from Sevastopol — there weren't many, anyway — at Cherbourg, but there are 25,000 to 30,000 Germans there, the reports say, who are about to learn the same lesson. The fate of the German 7th division, which battered itself into small pieces against the American line in an effort to escape, is sufficient harbinger of that.

The Germans will make every effort to spoil Cherbourg. But Naples was proof of what the Allies are prepared to do with quick repairs. Soon a great army, flanked on each side and sheltered overhead by dominant sea and air support, will be forming on the peninsula for the real drive into Hitler's remains. And Von Rundstedt, if he hopes to stop it, will have to produce something more formidable than his "scattergun" rocket bombs.

# COUNTY YOUTHS ARE WOUNDED

Two Adams county youths have been wounded in action according to official notification received by relatives. The youths are Bernard William Toomey, S. 2-c, 19-year-old son of Mr. and Mrs. Paul Toomey, Brushwood, Hanover, R. 4, and Pfc. Howard C. Harman, 23, an infantryman, son of Mr. and Mrs. Roy E. Harman, New Oxford, R. 1.

The telegram received by Mr. and Mrs. Toomey from Vice Admiral Randolph Jacobs did not state how, when or where Bluejacket Toomey was wounded. The youth had been serving aboard a destroyer and has been receiving his mail in care of the Fleet Post Office, New York city.

Seaman Toomey entered the Navy on June 16, last year, and received his boot training at Bainbridge, Maryland. Before going into the service he was employed as a truck driver by the Westco Coal company.

Mr. and Mrs. Toomey have two other sons in the service. They are David Toomey, A. S. 17, who is home on a ten-day leave after completing his boot training at Camp Peary, Virginia, and The John Toomey, 22, who is serving in the Caribbean area.

**Wounded In Italy**

Pfc. Howard C. Harman suffered slight wounds in Italy on May 15, according to the telegram received by his wife, Miss Florence Frederickhoff Harman, who lives near daughter Linda, near the McMillen property, Gettysburg, Pa.

Pfc. Harman entered the Army in October 1942. He served in Mississippi, Louisiana, Texas, California, New Jersey and New York before going overseas to Italy.

His first tour was in the 1st Marine Division, and he was wounded in the Sicily campaign. He was then transferred to the 1st Infantry Division, and he was wounded in the Battle of the Bulge.

Mr. and Mrs. Roy E. Harman have one other son in the service. He is Pvt. Charles A. Harman, 23, who is in New Guinea.

# WAR

(Continued From Page 1)

to escape, since the Allies control all sea and air routes.

# Erase Battery

The German-held channel islands, which have many heavy guns, may give the Allied western flank a good deal of trouble, but so far American and British battleships have been able to deal with any coastal defenses encountered. For example, the troublesome German battery at Houlegate, east of Oulstreham and the mouth of the Orne river, was believed silenced by the British battleship Ramallies. It was one of the few German batteries left that could rake the invasion beaches.

While the Germans were expected to attempt destruction of the port of Cherbourg, they are unlikely to prevent its use by the Allies. The naval docks, especially, are hewn out of solid rock and there is little the Germans can do against these.

It was disclosed today that on the eastern end of the beachhead Montgomery has under his command the British Seventh Armored Division, famed as the "Jubs" or "Desert Rat" division.

# "Biding His Time"

"Monty" apparently was biding his time, as always, to launch an all-out blow to bear a way out of the beachhead and into the open country of France.

When the time comes, it is more than likely that the "Desert Rats," who Montgomery insisted be brought to England, will be playing a major role in the assault.

There was no E-boat or U-boat activity reported, and the great invasion armadas sent an unending stream of supplies to the beachhead without interruption.

Meantime, the Ninth Division's sudden break-through to the sea over difficult country caught many officers at Supreme Headquarters by surprise. It had been expected the Germans would react more violently.

The new victory apparently assured the ultimate possession of Cherbourg, France's third most important port as a base of operations from which the Allies might enlarge and solidify the continental toe-hold which their military leaders already have declared secure against any attack the Germans may bring against it.

Dramatic isolation of the strategic peninsula was accomplished early yesterday by United States forces, headed by the battle-ried Ninth Division.

They burst through the neck of the peninsula near Barneville-sur-Mer—just as the Allied command planned it.

The Nazi 77th Division sought determinedly to break out—and was cut to pieces by American assault forces.

Thus today the Allies held an ever firmer bridgehead in France—an area approximately as big as Rhode Island in a country the size of New York, Pennsylvania, Ohio, Indiana and Illinois combined.

# DIEHL-STREAKER NUPTIALS HELD

A pretty wedding was solemnized Sunday afternoon at 2 o'clock at the Methodist church in York Springs when Miss Elsie Louise Streaker, daughter of Mr. and Mrs. Harry A. Dixon, of York Springs, became the bride of John Roy Diehl, Jr., son of Mr. and Mrs. John Roy Diehl, of Biglerville.

Preceding the ceremony a fifteen minute piano recital was presented by Clifford Snyder of York Springs who played "Liebestraum," "An Sweet Mystery of Life" and "I Love You Truly." Professor Dale Roth, of York Springs, sang "At Dawning" and "On Promise Me." The double ring ceremony was performed by the Rev. Earl M. Rorve, pastor of the bride's church.

The bride entered the church to the strains of the Lohengrin bridal chorus. She was given in marriage by her father.

The maid of honor was Miss M. Winifred Potts, of Philadelphia. The bridesmaids were Mrs. Victor Glatfeiler and Mrs. Melvin Worley, of York Springs. The best man was Marshall Walters of Harrisburg, while ushers were Guy Deardorff of Aspers and Hershey Bowers of Heidelberg. The flower girl was Miss Sara Jane Thomas, of Boiling Springs, niece of the bride.

The bride was attired in white and a ruffled, lace-edged robe and train. The finger-tip veil was fashioned of old point de Venice lace and tulle with white rose clusters at the temples. She carried a white testament and orchid.

The attendants were gowned in pink, yellow, and aquamarine marquisette and wore pearl necklaces, gifts of the bride. They carried bouquets of mixed summer flowers. The flower girl wore a white gown similar to the bride's and carried a basket of roses and carnations.

**Mr. Snyder** played Mendelssohn's wedding march for the recessional.

Following the ceremony a reception was held at "Fairacres," country home of Mr. and Mrs. T. H. Bateman, of Philadelphia. Guests included the wedding party and relatives and friends of the bride and groom. The couple left afterwards for a short wedding trip.

FORTNIGHT HAS PROVED ALLIED GAINS SECURE

By J. M. ROBERTS, JR.

Substituting for Dewitt MacKenzie

The faithful fortnight which has encompassed Allied plans and fears for more than two years ends tonight, and the Germans have failed to mount either the beachhead defense or the massive counter-attack which had been expected.

As a matter of fact, a comparatively small Allied initial force, harassed - by unseasonably bad weather which interferes with both reinforcement and supply, has engaged approximately one-fourth of the estimated German strength in France and found it only a hindrance.

**Beachhead Is Secure**

To be sure, undue optimism is never proper when dealing with the Reichswehr. You can be sure that it has been busy repairing road blocks and bridges swept by the pre-invasion aerial hurricane of the Allies. Paris is a hundred miles away, we have been only preparing to go there, and there may be Casinos on the way.

But as the fortnight ends during which we expected to learn whether the beachhead would be secure, we do learn, and it is. Not only that, but the campaign for capture of a great port, through which reinforcements can flow by the tens of thousands rather than the hundreds and thousands possible on the open beach, moves, truly according to plan. Word from the Cherbourg peninsula is that the Americans crossed to the western shore through the very points, along the very country roads, as envisaged long ago in the offices of the planners.

**May Spoil Cherbourg**

There may not be any refugees from Sevastopol - there weren't many, anyway - at Cherbourg, but there are 25,000 to 30,000 Germans there, the reports say, who are about to learn the same lesson. The fate of the German 7th division, which battered itself into small pieces against the American line in an effort to escape, is sufficient harbingers of that.

The Germans will make every effort to spoil Cherbourg. But Naples was proof of what the Allies are prepared to do with quick repairs. Soon a great army, flanked on each side and sheltered overhead by dominant sea and air support, will be forming on the peninsula for the real drive into Hitler's domains. And Von Rundstedt, if he hopes to stop it, will have to produce something more formidable than he has shown so far, including his "scattergun" rocket bombs.

COUNTY YOUTHS ARE WOUNDED

Two Adams county youths have been wounded in action according to official notification received by relatives. The youths are Bernard William Toomey, S. 2-c, 19-year-old son of Mr. and Mrs. Paul Toomey, Brunshtown, Hanover R. 4, and Pfc. Howard C. Harman, 23, an infantryman, son of Mr. and Mrs. Roy E. Harman, New Oxford R. 1.

The telegram received by Mr. and Mrs. Toomey from Vice Admiral Randolph Jacobs did not state how, when or where Bluejacket Toomey was wounded. The youth had been serving aboard a destroyer and has been receiving his mail in care of the Fleet Postoffice, New York city.

Seaman Toomey entered the Navy on June 10, last year, and received his boot training at Bainbridge, Maryland. Before going into the service he was employed as a truck driver by the Wentz Coal company.

Mr. and Mrs. Toomey have two other sons in the service. They are David Toomey, A. S. 17, who is home on a ten-day leave after completing his boot training at Camp Peary, Virginia, and T-5 John Toomey, 23, who is serving in the Caribbean area.

**Wounded in Italy**

Pfc. Howard C. Harman suffered slight wounds in Italy on May 12, according to the telegram received by his wife. Mrs. Florence Federhoff Harman, who with their daughter, Lorene, resides in Millersburg. The message was sent by the adjutant general, James A. Ulio.

Pfc. Harman entered the Army in October, 1942. He served in Mississippi, Louisiana, Texas, California, New Jersey and New York before going overseas about January 1, this year. He landed in North Africa and went to Italy on March 1. Before going into the armed forces he was employed at the Mid-dletown air depot.

Mr. and Mrs. Roy Harman have one other son in the service. He is Pvt. Charles A. Harman, 20, who is in New Guinea.

to escape, since the Allies control all sea and air routes.

Erase Battery

The German-held channel islands, which have many heavy guns, may give the Allied western flank a good deal of trouble, but so far American and British battleships have been able to deal with any coastal defenses encountered. For example, the troublesome German battery at Houligat, east of Ouistreham and the mouth of the Orne river, was believed silenced by the British battleship Ramallies. It was one of the few German batteries left that could rake the invasion beaches.

While the Germans were expected to attempt destruction of the port of Cherbourg, they are unlikely to prevent its use by the Allies. The naval docks, especially, are hewn out of solid rock and there is little the Germans can do against these.

It was disclosed today that on the eastern end of the beachhead Montgomery has under his command the British Seventh Armored Division, famed as the "Juba" or "Desert Rat" division.

"Biding His Time"

"Monty" apparently was biding his time, as always, to launch an all-out blow to beat a way out of the beachhead and into the open country of France.

When the time comes, it is more than likely that the "Desert Rats," who Montgomery insisted be brought to England, will be playing a major role in the assault.

There was no E-boat or U-boat activity reported, and the great invasion armadas sent an unending stream of supplies to the beachhead without interruption.

Meantime, the Ninth Division's sudden break-through to the sea over difficult country caught many officers at Supreme Headquarters by surprise. It had been expected the Germans would react more violently.

The new victory apparently assured the ultimate possession of Cherbourg, France's third most important port as a base of operations from which the Allies might enlarge and solidify the continental toe-hold which their military leaders already have declared secure against any attack the Germans may bring against it.

Dramatic isolation of the strategic peninsula was accomplished early yesterday by United States forces, headed by the battle-ried Ninth Division.

They burst through the neck of the peninsula near Barneville-sur-Mer—just as the Allied command planned it.

The Nazi 7th Division sought determinedly to break out—and was cut to pieces by American assault forces.

Thus today the Allies held an ever firmer bridgehead in France — an area approximately as big as Rhode Island in a country the size of New York, Pennsylvania, Ohio, Indiana and Illinois combined.

Major McKnight Heard On Radio

Captain William P. McKnight, former Gettysburg physician, spoke on the work being done by air force flight physicians in evacuating injured American soldiers from Normandy on a radio program sent direct from England and heard here over the Columbia broadcasting system Sunday evening.

Captain McKnight in the interview stated that the ability of the airforce to evacuate wounded to hospitals in the rear zones is helping very much in preventing deaths among soldiers. He outlined the set-up in hospital planes where facilities are available to give much medical attention to the soldiers as they are being flown to base hospitals.

Firemen To Make Test Run Tuesday

Gettysburg firemen will take equipment to Bonneville in a test run Tuesday evening. Fire Chief James A. Aumen said today, with a close check to be made on the time it takes to get from the local engine house to Bonneville and get a stream of water in the air.

Firemen should report at the engine house by 6:30 o'clock Tuesday evening, the chief said. The test is being held in place of the weekly local

# ROCKET BOMBS USED FOR FIFTH DAY BY NAZIS

By JAMES KING  
London, June 19 (AP)—Germany's rocket bomb assaults on southern England continued for the fifth successive day as a number of the fire-spitting, jet-propelled robot planes zoomed across the coast just after daybreak today.

Intermittent activity was reported over the same area during the night, with some resultant casualties and damage, though the attacks did not seem as heavy as the previous night.

The element of newness attached to Hitler's latest "secret weapon" was wearing off rapidly, however, and British defenses against these "blind bombs" were taking shape.

All over southern England large reinforcements of anti-aircraft guns are being moved to special spots in efforts to explode the rocket bombs in the air as near the coast as possible.

Two Types of Bombs  
It now appears the robots are two types. The smaller has a speed of 200 to 230 miles an hour, while the other with larger wing span travels perhaps 400 miles per hour and has greater explosive power.

Not since the battle of Britain have English anti-aircraft gunners—many of them women—worked so hard, but there is no complaining.

Meanwhile, Britons view as comic relief the lurid accounts which German propagandists are broadcasting concerning the "parade" caused by the rocket bombs in England. London newspapers are giving as much if not more space to wild German propaganda stories of the bombings as they do to British reports.

Tone Down Reports  
It was noted that the Germans had toned down their claims in the past 24 hours, perhaps fearful lest their whooped up propaganda concerning the effectiveness of the robot planes might backfire. Propaganda Minister Paul Joseph Goebbels' latest line was:

"Our pilotless planes will not decide the war, but they are a rather hard test for the Englishman's nerves."

The German radio, however, continued to put out highly colored reports of the destruction wrought in London, declaring that "all roads leading from the city are blocked with refugees in all manner of vehicles, hugging what few belongings they have rescued from the flames of burning London."

Suggest Attack On U. S.  
The Nazis even went so far as to suggest the "new weapon" might be turned against the United States, one Berlin broadcast saying:

"It is to be regretted that only southern England has so far been affected by the new pilotless plane. We hope that New York will soon get a taste of the new reprisal weapon as a punishment for deliberate air crimes in Europe and East Asia."

This theme was not enlarged upon in subsequent broadcasts, however.

## COUNTY FLIER'S SQUADRON CITED

(Special To The Times)  
An Eighth AAF Liberator Station, England (Delayed)—Technical Sergeant Hugh D. Bringham, son of Jay William Bringham, of 149 York street, Gettysburg, Pa., works in the bombsight maintenance section of his squadron at a B-24 Liberator base in England.

It is his job to service the bombsights on the planes that are to drop their bombs on Germany and the occupied countries.

Sergeant Bringham enlisted in the service October 24, 1939. He is a graduate of Biglerville high school.

Prior to leaving for overseas duty in October 1943, he was stationed at Lowry Field, Denver, Colo.

Brigadier General Hodges, head of the Liberator division in England, recently cited Bringham's squadron "for distinguished and outstanding performance of duty by completing 25 aerial combat missions against the enemy without the loss of an aircraft or crew. . . many of the missions were accomplished in the face of intense anti-aircraft fire and formidable opposition from enemy fighters. The successful fulfillment of these dangerous missions is due to the extraordinary courage, skill and devotion to duty displayed by every man in the organization. The tenacity of purpose and the resultant efficiency displayed by both ground and combat personnel of the squadron reflects great credit upon themselves and the United States Army Air Forces."

## Seabee Mascot Is Home With Gifts

Pittsburgh, June 19 (AP)—Jimmie Carrick, the six-year-old official mascot of the Navy's Seabees, today looked with pride at souvenirs and trophies received during a three-day visit packed with thrills at Camp Thomas, Rhode Island.

His thousands of Seabee pals presented the boy, crippled with a spinal ailment, with war bonds, an autographed baseball, toys and, most important, a hand-carved plaque symbolic of his mascotship.

Son of Mr. and Mrs. Louis Carrick, Jimmie returned yesterday to resume his diligent correspondence with Seabees all over the world.

## Sees Shortage Of Coal Trucks

In urging householders to obtain an initial supply of coal during the summer to minimize delay in deliveries when cold weather sets in, Edward R. Gishburn, district manager of the Office of Defense Transportation at Hagerstown, today explained that coal purchases must be limited to amounts permitted under regulations of the Solid Fuels Administration for war.

Mr. Gishburn pointed out that the shortage of motor trucks and drivers available for coal distribution is expected to become critical this fall and urged householders to space coal orders throughout the summer to assure an adequate supply when winter comes.

## WE FIGHT FOR FREEDOM: TAFT

Bethany, W. Va., June 19 (AP)—Sen. Robert A. Taft (R-Ohio) maintains that the people of the United States are fighting to preserve their own freedom rather than for the Four Freedoms or Democracy or any other ideology.

Awarded an honorary doctor of laws degree at the Bethany college commencement here yesterday, he said:

"We cannot assure freedom of speech and freedom of religion in Russia, for instance, unless we are prepared to fight the rest of our lives. We can hardly be fighting for democracy when so many of our Allies—China, Russia and Brazil—are dictatorships without the semblance even of election machinery."

Sen. Taft, commenting of the Tehran conference, declared:

"Apparently there was not the slightest effort on our part to bring Russia in line with the idea of the Atlantic Charter or any post-war settlement on which permanent peace can be based."

"The effect of the Tehran conference was to accelerate the drift towards a controlled world by the three great nations, which has affected the thinking of this country for some time. I do not believe that is the way in which to carry out our war purpose."

## Ask U. S. Stand Against Liquor

Harrisburg, June 19 (AP)—The Rev. Arthur Eakin, of Greensburg, last night told delegates to the 31 session of the general eldership of the Churches of God in North America that Sunday liquor drinking was on the increase and blamed it on the shifting population of these war times.

The more than 800 persons assembled in the State Forum also heard the Rev. V. O. Barnhart, of Mt. Pleasant, Pa. call for "a definite stand" in United States against liquor traffic.

The sessions continue through Wednesday.

## RUSSIANS SNAP 3 FINN FRONTS IN FRESH PUSH

By HENRY C. CASSIDY  
Moscow, June 19 (AP)—Soviet field dispatches declared today that the Red Army had smashed forward to the threshold of Viipuri, key city in southern Finland, after breaking the Mannerheim line and capturing Koivisto fortress at the mouth of Viipuri bay.

Farther inland on the Karelian isthmus the Russians were reported to have driven two and a half miles past the Mannerheim line in the Murila sector.

While the Red Army's left flank had made the most progress along the Gulf of Finland, dispatches said that the right wing on the opposite side of the isthmus now was advancing along Lake Ladoga, capturing numerous points.

9-Day Drive  
Gen. Leonid A. Gorovov's Leningrad forces which launched the offensive nine days ago appeared to have broken the back of the Finnish Army after piercing the enemy's three lines in the defense of Karelia and prospects for an early complete victory over Finland seemed bright.

The Russian's quick success was attributed largely to tremendous artillery barrages which pulverized Finnish positions. Front dispatches disclosed that the Katousha, the Red Army's secret gun, was used for the first time in Finland in the present drive.

The Red Army recaptured the Mannerheim line Saturday, three days after breaking the Raitva-Voiki line, and breached the old Mannerheim fort yesterday in a single swift rush.

A Pravda dispatch said Soviet Army men were "electrified" by their first view of the Mannerheim pillboxes which they had blown up in the Soviet-Finnish war of 1939-1940.

## School Group Is Making Progress

Harrisburg, June 19 (AP)—George Young, chairman of the 15-member state commission studying the Pennsylvania school system, today reported progress in setting up a plan for equalizing district subsidies and taxes.

Following a conference with Harvey E. Gayman, representing the Pennsylvania State Education association, and P. O. Van Ness, of the Pennsylvania State School Directors association, Young said the officials:

"Are in whole-hearted agreement with the attempt of the commission to develop a state subsidy plan which would eliminate distressed school districts once and for all and equalize both educational opportunities and local school tax rates throughout the commonwealth."

The chairman said the plan is in skeleton form and will be ready to present to the 1945 legislature.

## QUAKES SHAKE LOS ANGELES

Los Angeles, June 19 (AP)—Downtown buildings swayed, residents trembled, burglar alarms were set off and many persons fled into the streets as two earthquakes jolted Los Angeles and nearby cities yesterday. Two lighter quakes were felt early today in communities south of here.

The shocks yesterday were the strongest since those of March 10, 1933, when 121 persons were killed and property damage of \$75,000,000 caused in Compton, Long Beach and Los Angeles.

There was no material damage reported from the shocks, the first recorded at 5:03 p. m. and the second at 8:05 p. m. Three women watching baccalaureate services in South Gate High school fainted during the first shock.

One quake was reported at 12:30 a. m. today by residents in Hawthorne, South Gate and Huntington Park, and another at 12:53 a. m. in Compton.

## BABE ELECTROCUTED

West Conshohocken, Pa., June 19 (AP)—A year-old baby was fatally shocked in the living room of his home last night when he came in contact with an exposed lamp wire. Resuscitation efforts by the parents of John McGuire, Jr., failed to revive him and he was pronounced dead at Bryn Mawr hospital.

## SEEK TO SPEED PRODUCTION OF CIVILIAN GOODS

Washington, June 19 (AP)—A Senate committee took a look today into prospects for stirring up production of such war-neglected items as pots, pans, razors, irons, pressure cookers and pans to keep the family automobile running.

Contending that idle plants are available in some areas of labor shortage for the manufacture of simple items that do not require the use of skilled workers, the Truman committee sought to learn where they are and what they can make.

Chairman Donald M. Nelson of the War Production Board was called as the first witness as the opening spotlight of the inquiry turned on the war-expanded aluminum and magnesium industry.

His views and those of officials of the Aluminum Co. of America and the Reynolds Metals were sought as a starter. Other industries will be surveyed as the hearings progress.

Over the week-end Nelson announced that he was revoking an order which limited the use of aluminum and magnesium to military items and was empowering his regional offices to lift bans on their certain.

## Gross Enters FDR Speech Controversy

Washington, June 19 (AP)—Representative Gross, York county Republican, added his voice to the House's controversy over the meaning of some of President Roosevelt's past speeches about the war, and declared that "they (mothers and fathers) are weeping over their let-down."

He referred to "that speech in which the President said to the mothers of the nation 'x x x your boys are not going to be sent into any foreign wars, x x x'" and said that he "hoped Representative Murphy (D-Pa.) would properly quote it" in a scheduled review of the president's speeches next week.

Pittsburgh Democrat Herman P. Eberharter charged that Gross quoted the President incorrectly.

The correct quotation, he said, was "we will not send our boys overseas except in case of attack." "I wonder," he added, "if the gentleman from Pennsylvania (Gross) knows we were attacked at Pearl Harbor?"

Use in civilian products where this would not interfere with war production.

Informal officials now say that relaxation of WPB controls on steel and copper is to follow as soon as possible, using the same policy. However, when plenty of steel may be available is said to be especially uncertain.

## ALLIES STRIVE TO KNOCK OUT ROCKET BASES

Supreme Headquarters Allied Expeditionary Force, June 26 (AP)—American heavy bomber formation streamed toward the Pas de Calais area of France today in apparent continuation of the campaign against installations from which Hitler launches his rocket bombs against England.

RAF heavy bombers also streamed toward France just before dusk last evening but there was no collective announcement of their targets.

More than 1,000 American heavy bombers hammered oil refineries and storage plants in the Hamours area and three enemy aircraft in northern Germany yesterday. While 250 other heavy bombers pounded the Pas de Calais area.

The Germans hurled more than 100 bombs at southern England today carrying their attack with these new weapons into its fifth day.

## Find No Fighters

The western air war now has developed into a three-sided battle, with Allied air units engaging in a cross-channel duel with German rocket bombs, maintaining ceaseless support of the invasion troops in

Normandy and mounting strategic attacks on the Reich itself. Although the Germans threw up a flak barrage described as one of the heaviest yet encountered, not a single enemy fighter arose to challenge the mighty American aerial fleet which struck into Germany yesterday. About 500 American fighters accompanied the heavy bombers which made an attack aimed at shutting off the lifeblood of Germany's projected offensives.

Only two German aircraft were sighted all day yesterday by U. S. Navy Air Force Thunderbolts. Lightning and Mustang pilots who made more than 1,000 individual flights today attacked hundreds of moving targets on the Cherbourg peninsula and military convoys in the Pas de Calais area and made sweeps into central France near Paris, Amiens and Arras.

The population of French cities is 338,119,000.

There are over 25,000 miles of railways in France.

The successful fulfillment of these dangerous missions is due to the extraordinary courage, skill and devotion to duty displayed by every man in the organization. The tenacity of purpose and the resultant efficiency displayed by both ground and combat personnel of the squadron reflects great credit upon themselves and the United States Army Air Forces.

## Seabee Mascot Is Home With Gifts

**Pittsburgh, June 19 (AP)—**Jimmie Carrick, the six-year-old official mascot of the Navy's Seabees, today looked with pride at souvenirs and trophies received during a three-day visit packed with thrills at Camp Thomas, Rhode Island.

His thousands of Seabees pals presented the boy, crippled with a spinal ailment, with war bonds, an autographed baseball, toys and, most important, a hand-carved plaque symbolic of his mascotship.

Son of Mr. and Mrs. Louis Carrick, Jimmie returned yesterday to resume his diligent correspondence with Seabees all over the world.

**Need a good tire?**

**JUST BRING US A GOOD TIRE CARCASS**

If your treads are worn smooth, it's time to see us about building new treads that will give you the non-skid protection you need—and that will give your tires a new lease on life. The work is done by experts who have learned how to handle today's new materials. There's no guesswork about it. You can be sure of thorough-and-through quality—and of thousands of miles of extra tire mileage. If your treads are smooth, don't wait. You are eligible for recaps, now—and remember, you don't need a ration certificate for this kind of "new tire" mileage.

**TO THE GRANDSON**  
I hope you will not have to learn how guns are fired and turrets turn. And just how far to left or right. To lead the plane that's in your sight.

I pray, when you are sent to school, They'll teach you theorem and rule.

And mathematics of the kind For peaceful reckonings designed.

They had to teach this ace's sons The dreadful skill of bombs and guns:

Of planes and tanks, amphibian cars And how to travel by the stars.

But when these cruel days are done, And this great global war is won,

God grant the need to kill will cease And you may learn the arts of peace.

**Today's Talk**  
**THE HIGH WAY**  
Louis Brandeis and Oliver Wendell Holmes, Jr. were two of the greatest judges who ever sat upon the United States Supreme Court bench. They were thinkers, humanitarians and independent. When either, or both of them dissented people read their opinions in preference to those of the majority. A tribute to the character of the men.

Brandeis and Holmes were lifelong friends, being intimate for fifty years. I once called upon Brandeis, long before he had been appointed to the Supreme Court bench, and I shall never forget the friendliness of the man, his sympathy with the unfortunate and defenseless, and his just views on both capital and labor.

Justice Holmes was asked to write the preface to a book on Brandeis, and here is a sentence from it: Brandeis always has had the happy word that lifts one's heart. It came from knowledge, experience, courage and the high way in which he has always taken life. Whenever he left my house I was likely to say to my wife, "There goes a really good man."

The same could be well said by many another. I am sure, about Justice Holmes. He traveled the high way himself, and never took a detour from it. Not only as a great lawyer and Justice will be long remembered and revered but as a truly great man.

The life of this remarkable American has recently been written by Catherine Drinker Bowen under the title of "Yankee From Olympus" and it is one of the most fascinating biographies I have ever read. Holmes was 83 years of age when he died—he lived the high way to the very end. Some ten years before he died he stated: "If I were dying my last words would be 'Have faith and pursue the high way'."

We can all travel the high way if we have the right perspective. It is a matter of will, of desire, and of a genuine love for a noble cause.

Democrat Mr. Adams will talk on the subject "Life Is Expression."

**ONE HUNDRED YEARS AGO**  
The Meeting.—The committee of Arrangement for the meeting on the 21st instant, announce the following order of proceeding:

The Procession will be formed at 12:30 o'clock, P. M. precisely, in East York street, under the direction of the Chief Marshal and his assistants and are—

Chief Marshal—Col. S. S. McCleary.

Assistant marshals—Gen. D. McDevitt, Col. Joseph J. Kuhn, Col. Wm. F. Bonner, Col. Ephraim Swope, Col. John Donaldson and Col. J. H. McClellan.

After which the procession will move to the ground near town where addresses will be delivered by a number of distinguished and eloquent strangers.

Speaking will be resumed in the evening at 8 o'clock, in the Center Square, from the stand on the South front of the court house.

The chief marshal will be on horseback—the Assistants on foot.

A. B. Kurtz, Chairman

Died—On Friday morning, after a long illness, Mr. David Troxell, son of John, sen. of this borough, aged 54 years.

Splendid Banner.—The Patriotic Whig Ladies of the Borough have now in progress a splendid banner, which will be presented to the Central Clay Club on Friday morning at 9:30 o'clock in the Center Square. This tribute of female patriotism will have a cheering effect upon the cause.

Mr. David Cooper has been selected by the Ladies to deliver the address on their behalf.

Congress: The two Houses of Congress closed their sittings by adjournment on Monday, about noon.

**SEVENTY-FIVE YEARS AGO**  
On the Bench: On Tuesday, at the meeting of the Orphan's Court, the commission of Judge Harper was read, by direction of Judge Fisher, and Mr. Harper took his seat on the bench as a member of the Court.

Festival: We understand that the Strawberry Festival last week got up by the ladies of the Methodist Episcopal church, realized about \$425, from which expenses are to be deducted. A handsome gentleman's gown was voted for, and the voting excited a good deal of interest. On Saturday evening the students of the College made a rally for Rev. Dr. Valentine, President of the College, and carried off the prize.

Lower—Linard.—On the 13th inst., by Rev. W. R. H. Deatrich, Mr. Josiah Lower, of Seven Stars, to Miss Sophia A. Linard, of Butler township.

Sneeringer—Marshall.—On the 15th inst., in Bonaughtown, by Rev. R. A. Shorb, Mr. Henry Sneeringer, of Mountpleasant township, to Miss Mary C. Marshall, of New Oxford.

Davis—Trump.—On the 13th inst., by Rev. D. M. Blackwelder, Mr. Martin A. Davis, of Baltimore township, Adams county, to Miss Mary Trump, of Franklin township, York county.

Sanders—Monfort.—On the 15th inst., by the Rev. W. S. Van Cleave, Mr. Henry Sanders, of New Oxford, to Miss Phoebe J. Monfort, of Adams county, Pa.

Shultz—Meals.—On the 13th inst., by Rev. D. M. Blackwelder, Mr. John H. Shultz, of Franklin township, York county, to Miss Eliza Eleanor Meals, of Tyrone township, this county.

Theft.—On Friday night the residences of Hon. Moses McCleary, D. A. Buehler and Daniel Gilbert, on Baltimore street, were entered by burglars who helped themselves to such silverware as they could find.

The idea of burglars visiting a Printer's residence in expectation of getting anything worth while is decidedly refreshing. To save their centers in future the trouble of prying open our windows and rummaging through closets and drawers, we may as well cover the fact that the gentlemen who did us the honor on Friday night carried off what little silverware we had, and there is consequently no more on hand.

Parasols.—Parasols of some light-colored shades are generally in vogue, the most distinguished being those with some contrasting color as pink with a blue.

General News: A New York hotel is being erected at a cost of \$2,000,000.

There are but a few strangers in Washington and a correspondence of the hotels are almost empty.

**OPA TELLS OF FRAUD AND OF PRICE GOUGING**  
By JAMES MARLOW AND GEORGE ZIELKE  
Washington, June 19 (AP)—Take your time when you buy a watch. Be sure that you're getting what you pay for and that the price is right.

There is an ugly story of crookery and price gouging in Swiss watch sales in this country; all of the following is from OPA officials:

There are two main kinds of chiseling: sales at prices over OPA ceiling; and deliberate fraud in quality.

Service Men Duped  
Watches of the cheapest kind have been dressed in special, fancy cases and faces to sell at fantastic prices. Cheats have included not only fly-by-night salesmen and little retailers but also some of the big department stores.

Example: A group of stores opened up in a New York section. They refused to sell their Swiss watches to any but service people. The storekeepers figured that the service people would soon be leaving New York, would be gone before discovering they had been ripped.

Exceed Ceilings  
In a given city the same kind of watch may sell at five different prices, ranging from the right price to five times the right price.

This has been specifically true in areas near Army camps.

OPA officials say: "Retailers, large and small, generally sell at ceiling prices when they have been able to buy at ceiling prices."

"But where a commodity is very scarce, even some of the largest department stores have bought at over ceiling prices and sold at over ceiling."

**Letter to the Editor**  
Dear Sir:

I want to send you my thanks for your paper which have been receiving regularly since I came in the Army on March 6.

I hope you will continue sending it. I will be through with my basic about the middle of July and don't know where I will be sent then.

I enjoy the paper very much because I like to know how all the boys from good old G-burg are doing and where they are.

There are a few boys from Gettysburg down here but I don't see them very often. In a camp of about 50,000 men you don't run into them very often.

I am in Motor Mechanics, a branch of the infantry. We had six weeks of regular infantry basic and nine weeks of specialized mechanics training and two weeks of bivouac. We go on bivouac in two weeks.

About the only thing I don't like about Florida is the heat and sand. Well, I must close for tonight. So you keep 'em coming and we'll keep 'em rolling!

Always a faithful reader,

**Democrats Name District Leaders**  
Love, H. Alexander, Belleville, and Mrs. Rhoda Ackerman, Mt. Union, have been named vice-chairmen for District 2 of the Democratic party, which includes Adams county, by Democratic State Chairman Dave L. Lawrence.

Two vice-chairmen were appointed Friday for each of the six districts into which the state has been divided to assist in conducting party affairs, it was stated.

The Democratic State committee recently authorized the naming of the aides to assist in directing the general election campaign.

Mr. Lawrence said the move was prompted by transportation difficulties.

District Two includes York, Dauphin, Lebanon, Adams, Cumberland, Perry, Juniata, Mifflin, Snyder, Union, Centre, Clearfield, Blair, Huntingdon, Bedford, Fulton and Franklin counties.

**Flashes Of Life**  
**HESITATES—AND LOSES**  
New York (AP)—A merchant seaman, who acquired a Russian wolfhound in his travels, learned on arrival here that there was a duty charge to bring it ashore.

Seeking to foil customs officials, he decided to wait until dawn when he hoped they would be asleep. But when morning came he discovered the wolfhound had given birth to five pups, and later that his delay had not saved him \$3—but cost him \$30.

**THEY SHOULD KNOW**  
Phoenix, Ariz. (AP)—The two men who scorned the quality of sports shirts just laughed when a clerk snapped:

"Don't you know there's a war on?"

On the backs of their clothing the letters "P W" were displayed prominently—for prisoner of war.

A military police escort joined them as they walked away.

**WANTS THEM GRUFF**  
Louisville (AP)—The safety director has transferred three women operators from the police headquarters switchboard, because the girls are "too sweet."

"When a resident calls up and says there's a burglar in the house," he explained, "he gets more assurance of help from a husky male desk sergeant's voice than from a sweet feminine answer."

**RIGHT BACK AGAIN**  
Albany, N. Y. (AP)—About a year ago, Joseph Fries contributed a bundle of paper to a waste-paper drive. It included a copy of the Buffalo Evening News dated May 4, 1943.

On May 4, 1944, Clarence Baker received a package from his brother, L. Leland Baker, stationed in England with a hospital unit. It contained the same newspaper.

"It was the same paper I had given to the drive because my name was on the upper left corner of the first page," Fries explained.

**BIG PAY**  
Chicago (AP)—Mrs. Edith Koby, 24, a worker in an oil refinery, didn't cash her pay check, she went back to the office to show it to the accounting department.

The check she received for her two weeks' work was \$99,999.994.41, which was approximately \$99,999.900 too much. A bookkeeping error, the department explained.

**New Haven, Conn. (AP)**—A woman shopper dropped a package on a busy sidewalk and walked on a few paces before turning to pick it up. A helpful man kicked it ahead a few feet so she wouldn't have so far to walk back to pick it up. She smiled her thanks, he tipped his hat and walked away.

**Foreman Guilty In Mine Fight Case**  
Indiana, Pa., June 19 (AP)—Nick Maruschak, assistant foreman at the Ernest mine of Rochester and Pittsburgh Coal Company, was convicted Saturday on charges of assault and battery and aggravated assault and battery on Ferro Leyda, a miner.

The jury, which deliberated 3½ hours to reach a verdict, heard testimony that the attack on April 20 resulted in a two-day strike of about 850 workers at the mine.

Maruschak will be sentenced later. Judge E. E. Creps said.

**GUAM HEAVILY LAMBASTED BY YANKEE FORCE**  
U. S. Pacific Fleet Headquarters, Pearl Harbor, June 19 (AP)—American soldiers and Marines, fighting their way through hot cane fields halfway across Saipan island in the Marianas after repelling Japanese assaults by tanks and by landing craft, drove down toward the island's principal harbor and Naval base at Magicienne bay today.

Slightly more than 100 miles southward, American warships bombarded Guam heavily for the first time in the war. Adm. Chester W. Nimitz, in announcing that this former American base had been shelled last Thursday, gave no indication as to whether an invasion was in prospect.

Smash Last Airbase  
Fifteen hundred miles to the south, just below the equator, Mitchell medium bombers and escorting P-38 fighters temporarily neutralized Japan's last remaining effective airbase in New Guinea. They destroyed 50 enemy planes at Sorong and sank five enemy merchantmen and half a dozen smaller vessels.

Nimitz also announced that Army Liberators and Navy Venturas bombed Matsua, Paramushiro, Shimushiri and Shumushu islands in the Kurile chain Wednesday and Thursday and shot down one of 34 intercepting planes.

Tokyo radio reported that hundreds of bombers and fighters attacked Iwo island in the Kazan group 750 miles northwest of Saipan, Friday. American planes raided the Kazan and Bonin islands for the first time on Wednesday, destroying 47 Japanese planes and sinking or damaging more than a dozen ships or small war craft.

Extend Beachhead  
The Saipan beachhead established by Marines, with the support of Army infantry units, at last reports extended from Aginagan point on the south-western tip, where the Americans landed last Wednesday, five and a half miles up the west coast almost to Garapan, the island's largest town.

Japanese units strongly counter-attacked with tanks before dawn Friday, after the Yanks had pushed north and east for two miles and captured the coastal village and airstrip of Charan-Kanoo, and the island town of Hinashisu, more than halfway across the island.

Holding staunchly, the Americans forced the enemy back, inflicting heavy casualties and knocking out 25 Nipponese tanks.

Early Saturday the Japanese attempted new tactics, a landing assault south of Garapan.

Headquarters said the attempt was smashed and 13 troop-laden enemy barges destroyed.

**An Evening Thought**  
We are more sociable, and get on better with people by the heart than the intellect.—Bruyere.

**Just Folks**  
**TO THE GRANDSON**  
I hope you will not have to learn how guns are fired and turrets turn. And just how far to left or right to lead the plane that's in your sight.  
I pray, when you are sent to school, they'll teach you theorem and rule  
And mathematics of the kind For peaceful reckonings designed.  
They had to teach this age's sons The dreadful skill of bombs and guns;  
Of planes and tanks, amphibian cars And how to travel by the stars,  
But when these cruel days are done, And this great global war is won,  
God grant the need to kill will cease And you may learn the arts of peace.

**Today's Talk**  
**THE HIGH WAY**  
Louis Brandeis and Oliver Wendell Holmes, Jr., were two of the greatest judges who ever sat upon the United States Supreme Court bench. They were thinkers, humanitarians and independent. When either, or both of them dissented people read their opinions in preference to those of the majority. A tribute to the character of the men.  
Brandeis and Holmes were lifelong friends, being intimate for fifty years. I once called upon Brandeis, long before he had been appointed to the Supreme Court bench, and I shall never forget the fineness of the man, his sympathy with the unfortunate and defenseless, and his just views on both capital and labor.  
Justice Holmes was asked to write the preface to a book on Brandeis, and here is a sentence from it: "Brandeis always has had the happy word that lifts one's heart. It came from knowledge, experience, courage and the high way in which he has always taken life. Whenever he left my house I was likely to say to my wife, 'There goes a really good man.'"  
The same could be well said by many another. I am sure, about Justice Holmes. He traveled the high way himself, and never took a detour from it. Not only as a great lawyer and Justice will he be long remembered and revered, but as a truly great man.

The life of this remarkable American has recently been written by Catherine Drinker Bowen, under the title of "Yankee From Olympus," and it is one of the most fascinating biographies I have ever read. Holmes was 93 years of age when he died—he lived the high way to the very end. Some ten years before he died he stated: "If I were dying my last words would be, Have faith and pursue the unknown end."  
We can all travel the high way if we have the right perspective. It's all a matter of will, of desire, and one's attitude upon life as a whole.  
Tomorrow Mr. Adams will talk on the subject: "Life Is Expression."

**No Change Seen In Gas Rations**  
Washington, June 19 (AP)—Gasoline rations will remain at their present standards for the third quarter of 1944, the Office of Price Administration has announced, adding that there is no prospect of any further civilian allotments "in the near future."  
OPA said that gasoline consumption throughout the nation was near quota level, but in the East allocations have been exceeded.

From the Files of the Star and Sentinel and The Gettysburg Times

**ONE HUNDRED YEARS AGO**  
The Meeting.—The committee of Arrangement for the meeting on the 21st instant, announce the following order of proceeding:  
The Procession will be formed at 12½ o'clock, P. M., precisely, in East York street, under the direction of the Chief Marshall and his assistants who are—  
Chief Marshall—Col. S. S. McCreary.  
Assistant marshals—Gen. D. Middlecoff, Col. Joseph J. Kuhn, Col. Wm. F. Bonner, Col. Ephraim Swope, Col. John Donaldson and Col. J. H. McClellan.  
After which the procession will move to the ground near town where addresses will be delivered by a number of distinguished and eloquent strangers.  
Speaking will be resumed in the evening at 8 o'clock, in the Center Square, from the stand on the South front of the court house.  
The chief marshal will be on horseback—the Assistants on foot.  
A. B. Kurtz, Chairman.

**Died**—On Friday morning, after a long illness, Mr. David Troxell, (son of John, sen.) of this borough, aged 54 years.  
**Splendid Banner**.—The Patriotic Whig Ladies of the Borough have now in progress a splendid Banner, which will be presented to the Central Club on Friday morning at 9½ o'clock in the Center Square. This tribute of female patriotism will have a cheering effect upon the cause.  
Mr. David Cooper has been selected by the Ladies to deliver the address on their behalf.  
**Congress**: The two Houses of Congress closed their sittings by adjournment on Monday, about noon.

**SEVENTY-FIVE YEARS AGO**  
**On the Bench**: On Tuesday, at the meeting of the Orphan's Court, the commission of Judge Harper was read, by direction of Judge Fisher, and Mr. Harper took his seat on the bench as a member of the Court.

**Festival**: We understand that the Strawberry Festival last week, got up by the ladies of the Methodist Episcopal church, realized about \$425, from which expenses are to be deducted. A handsome gentleman's gown was voted for, and the voting excited a good deal of interest. On Saturday evening the students of the College made a rally for Rev. Dr. Valentine, President of the College, and carried off the prize.

**Married**: Cline—Fickler: On the 15th inst., in Shiremanstown, by the Rev. W. Owen Mr. G. A. Cline, of Menallen township, to Miss M. Etta Fickler, of York Springs.

**Lower—Linard**. — On the 13th inst., by Rev. W. R. H. Deatrich, Mr. Josiah Lower, of Seven Stars, to Miss Sophia A. Linard, of Butler township.

**Sneeringer—Marshall**. — On the 15th inst., in Bonaughtown, by Rev. R. A. Shorb, Mr. Henry Sneeringer, of Mountpleasant township, to Miss Mary C. Marshall, of New Oxford.

**Davis—Trump**. — On the 13th inst., by Rev. D. M. Blackwelder, Mr. Martin A. Davis, of Latimore township, Adams county, to Miss Mary Trump, of Franklin township, York county.

**Sanders—Monfort**. — On the 15th inst., by the Rev. W. S. Van Cleave, Mr. Henry Sanders, of New Oxford, to Miss Phebe J. Monfort, of Adams county, Pa.

**Shultz—Meals**. — On the 13th inst., by Rev. D. M. Blackwelder, Mr. John H. Shultz of Franklin township, York county, to Miss Eliza Elenora Meals, of Tyrone township this county.

**Theft**. — On Friday night the residences of Hon. Moses McClean, D. A. Buehler and Daniel Gilbert, on Baltimore street, were entered by burglars, who helped themselves to such silverware as they could find.

The idea of burglars visiting a "Printer's" residence in expectation of getting anything worth while is decidedly refreshing. To save these gentry in future the trouble of prying open our windows and rummaging through closets and drawers, we may as well advertise the fact that the gentlemen who did us the honor on Friday night carried off what little silverware we had, and there is consequently no more on hand.

**National Monument**: Yesterday work was commenced on the National Monument. Immense shears have been erected, with the necessary rigging and workmen have been busy putting the stone in position. A double set of hands will be worked from 4 a. m. to 8 p. m. and if the weather be favorable, the monument will go up rapidly.

**Parasols**. — Parasols of some light delicate shades are generally in vogue, the most distinguished being those lined with some contrasting color, as pink, green or blue.

**General News**: A New York hotel is being erected at a cost of \$2,000,000.  
There are but a few strangers in Washington, and as a consequence the hotels are almost empty.

**OPA TELLS OF FRAUD AND OF PRICE GOUGING**

By JAMES MARLOW AND GEORGE ZIELKE  
Washington, June 19 (AP)—Take your time when you buy a watch. Be sure that you're getting what you pay for and that the price is right.  
There is an ugly story of crookery and price gouging in Swiss watch sales in this country; all of the following is from OPA officials:  
There are two main kinds of chiseling: sales at prices over OPA ceiling; and deliberate fraud in quality.  
**Service Men Duped**  
Watches of the cheapest kind have been dressed in special, fancy cases and faces to sell at fantastic prices. Cheats have included not only fly-by-night salesmen and little retailers but also some of the big department stores.  
Example: A group of stores opened up in a New York section. They refused to sell their Swiss watches to any but service people. The storekeepers figured that the service people would soon be leaving New York, would be gone before discovering they had been hooded.  
**Exceed Ceilings**  
In a given city the same kind of watch may sell at five different prices, ranging from the right price to five times the right price.  
This has been specifically true in areas near Army camps.  
OPA officials say: "Retailers, large and small, generally sell at ceiling prices when they have been able to buy at ceiling prices."  
"But where a commodity is very scarce, even some of the largest department stores have bought at over ceiling prices and sold at over ceiling."

**RIGHT BACK AGAIN**  
**Alleghany, N. Y. (AP)**—About a year ago, Joseph Fries contributed a bundle of paper to a waste-paper drive. It included a copy of the Buffalo Evening News dated May 4, 1943.  
On May 4, 1944, Clarence Baker received a package from his brother, Lt. Leland Baker, stationed in England with a hospital unit. It contained the same newspaper.  
"It was the same paper I had given to the drive because my name was on the upper left corner of the first page," Fries explained.

**Letter to the Editor**

Dear Sir:  
I want to send you my thanks for your paper which have been receiving regularly since I came in the Army on March 6.  
I hope you will continue sending it. I will be through with my basic about the middle of July and don't know where I will be sent then.  
I enjoy the paper very much because I like to know how all the boys from good old G-burg are doing and where they are.  
There are a few boys from Gettysburg down here but I don't see them very often. In a camp of about 50,000 men you don't run into them very often.  
I am in Motor Mechanics, a branch of the infantry. We had six weeks of regular infantry basic and nine weeks of specialized mechanics training and two weeks of bivouac. We go on bivouac in two weeks.  
About the only thing I don't like about Florida is the heat and sand. Well I must close for tonight. So you keep 'em coming and we'll keep 'em rollin'.  
Always a faithful reader,

**Democrats Name District Leaders**

Lowell H. Alexander, Belleville, and Mrs. Rhoda Awkerman, Mt. Union, have been named vice-chairmen for District 2 of the Democratic party, which includes Adams county, by Democratic State Chairman David L. Lawrence.  
Two vice-chairmen were appointed Friday for each of the six districts into which the state has been divided to assist in conducting party affairs, it was stated. The Democratic State committee recently authorized the naming of the aides to assist in directing the general election campaign. Mr. Lawrence said the move was prompted by transportation difficulties.  
District Two includes York, Dauphin, Lebanon, Adams, Cumberland, Perry, Juniata, Mifflin, Snyder, Union, Centre, Clearfield, Blair, Huntington, Bedford, Fulton and Franklin counties.  
The University of Rome occupies 40 acres.

**Flashes Of Life**

**HESITATES—AND LOSES**  
New York (AP)—A merchant seaman, who acquired a Russian wolfhound in his travels, learned on arrival here that there was a duty charge to bring it ashore.  
Seeking to foil customs officials, he decided to wait until dawn when he hoped they would be asleep. But when morning came he discovered the wolfhound had given birth to five pups, and later that his delay had not saved him \$5—but cost him \$30.  
**TRY THIS SOMETIME**  
Pittsburgh (AP)—Instead of pacing corridors as an expectant father might, the Rev. Raymond J. Salchli went to work at Magee hospital, cleaning surgical instruments and cleaning walls, until a daughter was born to his wife.  
A hospital officer said: "We certainly would welcome more fathers like that."  
**DEMONSTRATION**  
Harrisburg, Pa. (AP)—Fire chiefs of Pennsylvania and four neighboring states adjourned their final session here to watch city firemen fight a downtown blaze.

**THEY SHOULD KNOW**  
Phoenix, Ariz. (AP)—The two men who scorned the quality of sports shirts just laughed when a clerk snapped: "Don't you know there's a war on?"  
On the backs of their clothing the letters "P W" were displayed prominently—for prisoner of war.  
A military police escort joined them as they walked away.

**WANTS THEM GRUFF**  
Louisville (AP)—The safety director has transferred three women operators from the police headquarters switchboard, because the girls are "too sweet."  
"When a resident calls up and says there's a burglar in the house," he explained, "he gets more assurance of help from a husky male desk sergeant's voice than from a sweet feminine answer."

**BIG PAY**  
Chicago (AP)—Mrs. Elizabeth Kobay, 24, a worker in an oil refinery, didn't cash her pay check—she went back to the office to show it to the accounting department.  
The check she received for her two weeks' work was \$99,999.94, which was approximately \$99,999,999.99 too much. A bookkeeping error, the department explained.

**New Haven, Conn. (AP)**—A woman shopper dropped a package on a busy sidewalk and walked on a few paces before turning to pick it up. A helpful man kicked it ahead a few feet so she wouldn't have so far to walk back to pick it up. She smiled her thanks, he tipped his hat and walked away.

**Foreman Guilty In Mine Fight Case**

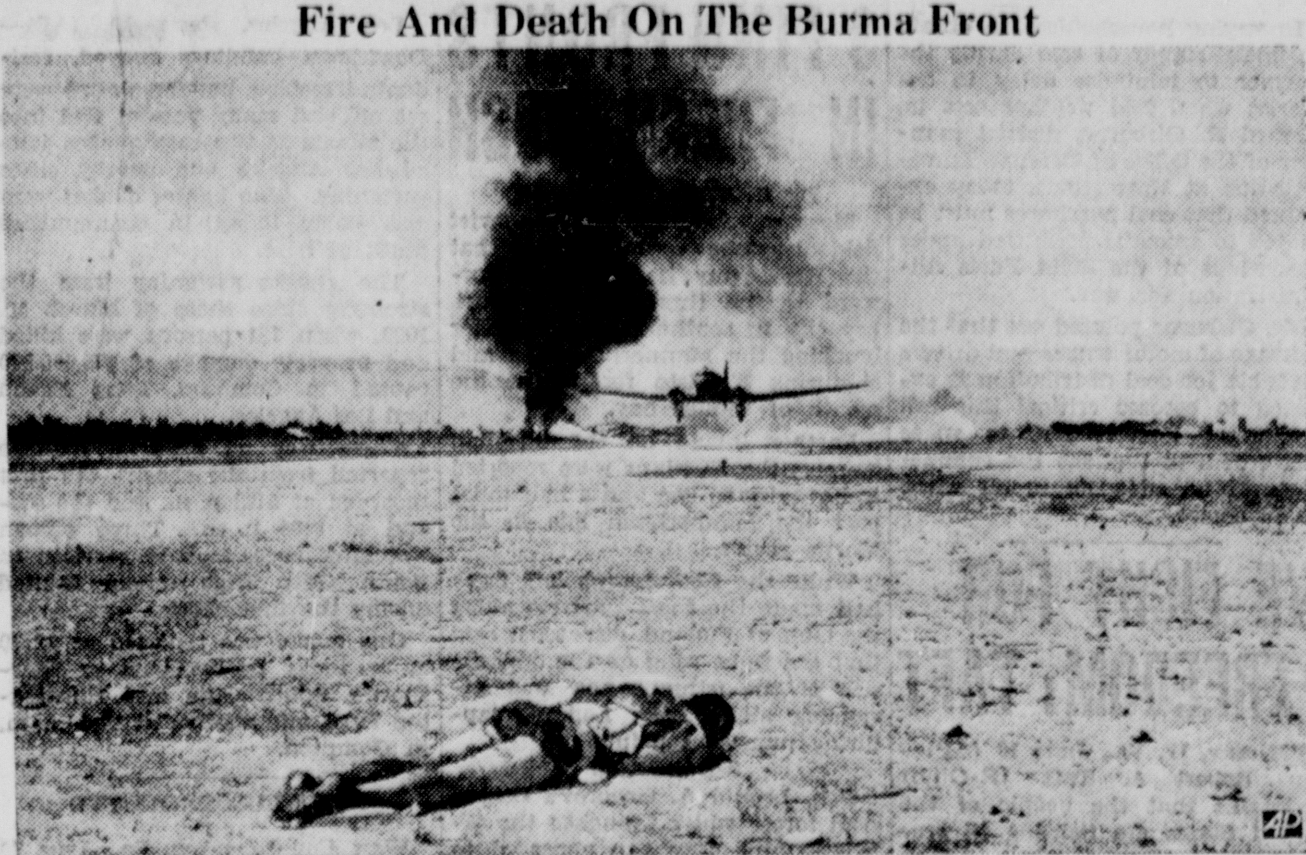

Indiana, Pa. June 19 (AP)—Nick Maruschak, assistant foreman at the Ernest mine of Rochester and Pittsburgh Coal Company, was convicted Saturday on charges of assault and battery and aggravated assault and battery on Ferro Leydie, a miner.  
The jury, which deliberated 3½ hours to reach a verdict, heard testimony that the attack on April 20 resulted in a two-day strike of about 850 workers at the mine.  
Maruschak will be sentenced later, Judge E. E. Creps said.

**FLOOD OF BABIES**

Somerset, Pa., June 19 (AP)—Clothes baskets and the incubator today were criss for some of the 17 babies recently born in Somerset Community hospital after three births in 12 hours yesterday. Miss Charlotte Ager, hospital superintendent, said the baby population there is at a new record. The nursery has a capacity of 12 babies.

**Scientists Meet Today In Pittsburgh**

Pittsburgh, June 19 (AP)—The American Society of Mechanical Engineers opens a four-day meeting here today to consider newest scientific discoveries and mechanical developments in aircraft.  
Technical papers on research in the use of wood, duralumin and plywood; fuel and lubricants, and rubber and plastics for bullet-proof airplane tanks will be read.  
The several hundred scientists, engineers and executives also were scheduled to visit the recently completed Canonsburg plant of the Aluminum Company of America.

**Issues Plea For Free Enterprise**

Pittsburgh, June 19 (AP)—A plea that free enterprise be "given a chance" in the future industrial life of America was made by Rep. Everett Dirksen (R-Ill.) at the YMCA sponsored Western Pennsylvania Industrial conference here yesterday.  
Addressing the 14th annual meeting of the group he said:  
"It isn't a case of returning to free enterprise. It's a case of going forward and keeping the lights on higher ground. The public must learn to have faith in the job of free enterprise."

**CLUB ELECTS**

Harrisburg, June 19 (AP)—The Pennsylvania Exchange Club elected these officers yesterday at a meeting here: W. Wilson, Alliquippa, immediate past president. Fred Pennington, Harrisburg; Frank Hull,

**POLITICAL TEST FOR CIO IN MAINE**

(By The Associated Press)  
The strength of the CIO Political Action committee in Maine was tested at the polls today as voters packed party nominees for three House seats and Governor.  
In the First Congressional district, which includes the shipbuilding centers of Portland and Bath, Republican Andrew A. Pettis, president of the Portland CIO Shipyard local, was trying for both major party nominations with the endorsement of Maine's United Labor committee. The incumbent, Robert Hale, a Republican, is seeking renomination.  
Since Maine's general election comes early, September 11, state results have been watched in the past as a possible trendvane indicating national trends.

Three Republican candidates have campaigned for the party nomination to succeed Gov. Sumner Sewall, Republican, all advocating decentralization of Governmental controls. They are former State Senator Roy L. Fernald; Horace A. Hildreth, State Senate president, and P. Ardine Rimzard, speaker of the Maine House.  
Politicians also turned their attention to Chicago, where the Republican Postwar Advisory committee on agriculture continued its sessions preliminary to the party's nominating convention which opens June 26. The resolutions committee, which will draft the platform, starts sessions Wednesday.

Lancaster, Dallas Ellis, York; Harry W. Davis, Uniontown; E. Clyde Snyder, Erie and Robert Harrier, Pen Argyl, were named to the board of directors.

**Leslie Elected Shriner Head**

Erie, Pa., June 19 (AP)—Artemas Leslie, of Pittsburgh, was elected president of the Pennsylvania State Shrine Association at the close of the annual meeting here Saturday, succeeding J. Ramsey Taylor, also of Pittsburgh.

Others officers named were J. C. Mumma, Reading, vice president; George Williams, Philadelphia, second vice president, and Edward A. Miller, Harrisburg, secretary-treasurer.  
Pittsburgh was picked as the site of the 1945 session.

**Father Dies In Rescue Of Son**

Atlantic City, N. J., June 19 (AP)—Dr. Harry G. Ericsson, 45, Norristown, Pa., dentist, died yesterday while rescuing his 15-year-old son, Stanley, after an undertow carried the youth into deep water.  
An autopsy disclosed the dentist, who succeeded in keeping Stanley from going down a third time, died of a heart attack induced by exhaustion just as lifeguards reached the point where he struggled in the water.

**STRIKE CLOSES MILLS**

Pittsburgh, June 17 (AP)—Two Blooming mills of the Jones and Laughlin Steel Corp. were shut down Thursday throwing 480 men into idleness, following a strike of 90 soaking pit employes in protest against an arbitrator's wage decision.

**GUAM HEAVILY LAMBASTED BY YANKEE FORCE**

U. S. Pacific Fleet Headquarters, Pearl Harbor, June 19 (AP)—American soldiers and Marines, fighting their way through hot cane fields halfway across Saipan island in the Marianas after repelling Japanese assaults by tanks and by landing craft, drove down toward the island's principal harbor and Naval base at Magicienne bay today.  
Slightly more than 100 miles southward, American warships bombarded Guam heavily for the first time in the war. Adm. Chester W. Nimitz, in announcing that this former American base had been shelled last Thursday, gave no indication as to whether an invasion was in prospect.

**Smash Landed Airbase**

Fifteen hundred miles to the south, just below the equator, Mitchell medium bombers and escorting P-38 fighters temporarily neutralized Japan's last remaining effective airbase in New Guinea. They destroyed 50 enemy planes at Sorong and sank five enemy merchantmen and half a dozen smaller vessels.  
Nimitz also announced that Army Liberators and Navy Venturas bombed Matsiwa, Paramushiro, Shimushiro and Shumushu islands in the Kurile chain Wednesday and Thursday and shot down one of 34 intercepting planes.

Tokyo radio reported that hundreds of bombers and fighters attacked Iwo Island in the Kazan group 750 miles northwest of Saipan, Friday. American planes raided the Kazan and Bonin islands for the first time on Wednesday, destroying 47 Japanese planes and sinking or damaging more than a dozen ships or small water craft.

**Extend Beachhead**

The Saipan beachhead established by Marines, with the support of Army infantry units, at last reports extended from Aginang point on the southwestern tip, where the Americans landed last Wednesday, five and a half miles up the west coast almost to Garapan, the island's largest town.

Japanese units strongly counter-attacked with tanks before dawn Friday, after the Yanks had pushed north and east for two miles and captured the coastal village and airstrip of Charan-Kanoa, and the island town of Hinashisu, more than halfway across the island.

Holding staunchly, the Americans forced the enemy back, inflicting heavy casualties and knocking out 25 Nipponese tanks.

Early Saturday the Japanese attempted new tactics, a landing assault south of Garapan.

Headquarters said the attempt was smashed and 13 troop-laden enemy barges destroyed.

## Murder at CANDLEWOOD

by Gene Bunker Lumley

Chapter 15.  
It was mid-afternoon of the day following Jo's death. The storm had fallen off in the night, but the echo of rain drummed in Spring's ears. Gil had gone to the shop with Maury Shipping space, Maury had urged, was very uncertain, and the candles must be ready by the end of the week. Gil had agreed, hesitantly. But they were lucky to have something to do to take their minds off the horror.

"Do you want to go with me, Spring?" Dirk asked shortly past noon. "I want to examine the grounds again."

"Yes," she whispered. "Anything to get away from this—"

They went out the front door, to avoid going through the hallway in the north wing, and creaked back. Dirk said:

"I wanted to talk to you, Spring. What about your aunt?"

"She was downstairs last night. I'm sure she was in the hall when it happened."

"I mean your Great Aunt Adelaide," Dirk said and he was frowning heavily. "Was she crippled when you left Candlewood a year ago?"

"No," Spring answered. "It came on last winter, think. At her age, it's natural enough."

"I wonder—"

"What do you mean?" Spring gasped.

Dirk answered bluntdy, "I mean, Spring, that someone in Candlewood is a killer. And until we find out who it is, I suspect everyone."

They walked along the soggy green lawn that stretched from the house to the stables and turned east on the stream bank that formed the lower part of the triangle of the candleberry acres. At the north corner of the triangle was the bridge, at the south was the shop, and the east top corner was the boundary line between Candlewood and Elvan Morrison's place. Candlewood was shaped like a wide-waisted, top-heavy hourglass. Candlewood House in the center of the lower portion; and the candleberry shrubs, the twisting, swollen creek, and the shop taking up the upper half.

Dirk sketched as he went, stopping now and then for the whole perspective. "When he had finished he pointed beyond the shop. 'That's what you call the Cove down there,'" he asked.

The little inlet was gray and melancholy in a colorless world. "Yes," Spring said. "It isn't very deep, but it's beautiful in summer."

"If Elvan Morrison had been the only death," Dirk said speculatively, "it might have been logical to suspect the killer came and escaped by boat from the Cove. But after last night—"

"Someone in Candlewood killed Jo," Spring shuddered as she spoke, but the knife-sharp memory of last night on the stairs was unchangeable. Briefly she told Dirk her experience.

"You don't think it was your Aunt Drusilla on the landing?" Dirk asked finally.

She shook her head. "No, I'm sure it wasn't. Whoever it was moved too lightly, too quickly. Aunt Drusilla would have tumbled or the boards would have creaked more under a steady pressure. And besides, Maury's shoes—"

Quickly she told him her discovery later in the parlor when Maury's robe had slipped away a second and revealed not water-stained shoes.

They had been walking slowly. Dirk dropped and looked at her. "Good Lord!" he said, admiringly. "You certainly came through some wicked experiences last night with flying colors. Spring, you're a brack!"

She shook her head. "No, she admitted forlornly. 'I'm not so brave as you think.'"

Dirk stared back as the gray stone house set on the hill. "Tonight," he said determinedly, "I'm going to see what people do when they prow around Candlewood after midnight!"

As it happened, night took care of itself. The thick ceiling of clouds separated and broke into great puffy masses of black, smoky patterns. The air was warm and oppressive. Gil and Theron moved the red furniture back into the screened south end of the porch and Dirk rolled up the bamboo shades to let in a breath of air. Gil wrapped Great Aunt Adelaide in her woolen shawl, to protect her from the draft across the porch, and everyone followed them outside. It was a welcome escape from the constant horror of the closed back parlor.

Justen and Gil sat together near the outer screen door that opened onto the path that circled the south end of the house past Adelaide's greenhouse. Drusilla sat quietly beside Adelaide. She had scarcely spoken since Jo's death. Dirk and Spring sat in the rockers at the outer end of the porch. For the first time since they arrived in Candlewood they could catch a glimpse of the moonlight now and then. There was a high full moon tonight, riding arrogantly on the cloud rifts. It was, thought Spring, almost like an evil eye peering down at them over the maple heads.

Justen said, out of the quiet: "God! We can't just sit here another day! How are we going to contact Ten Mile?"

It was the first thing Justen had said in four days with which Spring heartily agreed.

Gil said, "If the water begins to subside, the telephone lines will soon be repaired. There's nothing to do but wait."

"We could light some kind of signal fire," Dirk suggested.

"It would have to be a big fire to clear the top of the grove," Gil said gloomily. "And it's too wet for anything to burn."

"With all those candles," Dirk persisted, "there ought to be some way to light a SOS!"

Justen merely snorted. "But Gil was almost irritable. 'Those candles go in the shipment next week to England,' he said firmly."

There was, Spring noted, a new, not too subtle discord with Dirk.

## Says Invasion Was Surprise To Boche

London, June 19 (AP)—Prime Minister Churchill, in a speech delivered at the Mexican embassy four days ago and permitted to be published only today, said the months of this summer may "bring full success to the cause of freedom."

He said the invasion of Normandy was a great tactical surprise to the Germans who did not know it was coming until they saw the ships and "it may be that events will call for the cause of freedom."

and Gil's manner. As it, she Jo's death, even he had begun to see Dirk in a suspicious light.

To be continued

in the next few months which will show us whether we are soon to be released of the curse which has been laid upon us by the Germans."

The invasion was launched "in full accord" with the Russians and the decisions reached at Teheran he added, "and although the execution of the plans adopted there is far from being complete, it is being steadily unrolled, and the months of this summer may be the victors of this Allied campaign bring full success to the cause of freedom."

Justen and Gil sat together near the outer screen door that opened onto the path that circled the south end of the house past Adelaide's greenhouse. Drusilla sat quietly beside Adelaide. She had scarcely spoken since Jo's death. Dirk and Spring sat in the rockers at the other end of the porch. For the first time since they arrived in Candlewood they could catch a glimpse of the moonlight now and then. There was a high, full moon tonight, riding arrogantly on the cloud rifts. It was, thought Spring, almost like an evil eye peering down at them over the maple heads.

Justen said, out of the quiet: "God! We can't just sit here another day! How are we going to contact Ten Mile?"

It was the first thing Justen had said in four days with which Spring heartily agreed.

Gil said, "If the water begins to subside, the telephone lines will soon be repaired. There's nothing to do but wait."

"We could light some kind of signal fire," Dirk suggested.

"It would have to be a big fire to clear the top of the grove," Gil said gloomily. "And it's too wet for anything to burn."

"With all those candles," Dirk persisted, "there ought to be some way to light an SOS!"

Justen merely snorted.

But Gil was almost irritable. "Those candles go in the shipment next week to England," he said firmly.

There was, Spring noted, a new, not too subtle discord with Dirk

## Says Invasion Was Surprise To Boche

London, June 19 (AP)—Prime Minister Churchill, in a speech delivered at the Mexican embassy four days ago and permitted to be published only today, said the months of this summer may "bring full success to the cause of freedom."

He said the invasion of Normandy was a great tactical surprise to the Germans who did not know it was coming until they saw the ships and "it may be that events will occur

and Gil's manner. As if, since Jo's death, even he had begun to see Dirk in a suspicious light.

To be continued

in the next few months which will show us whether we are soon to be released of the curse which has been laid upon us by the Germans."

The invasion was launched "in full accord" with the Russians and the decisions reached at Teheran, he added, "and although the execution of the plans adopted there is far from being complete, it is being steadily unrolled, and the months of this summer may be the victories of this Allied campaign bring full success to the cause of freedom."

New York, June 19 (AP)—A new composition, "The Magic of the Violin," by Kent Cooper and written in observance of the 300th birthday anniversary of Antonio Stradivari, seventeenth century maker of violins, is to have its premiere at 12:30 p. m. Sunday, July 2, via NBC.

It will be played by the Paul La Valle orchestra, made up primarily of Stradivari instruments, with the concert master, Jacques Gassel, as violin soloist and with Harrison Knox as tenor soloist.

Cooper long has written music as a hobby, but this is his first work which is largely instrumental. In three parts, the first movement is for orchestra and voice, the second depicts the quality of the violin and the finale is reminiscent of the first. The lyrics also are by Cooper.

**Says Roosevelt Averted Disaster**

Pittsburgh, June 19 (AP)—Much credit for averting national and world disaster in World War II today belongs to President Roosevelt, Sen. Claude Pepper (D-Fla.) told a "back-the-invasion" rally here yesterday.

The Florida Senator, addressing the rally, sponsored by the American Slav Congress, declared:

"Only one who has been living close to the government as I have for eight years can appreciate how closely we skirted the precipice of national and world disaster and how only the great wisdom, the great vision, the great courage and the great will of President Roosevelt staved off disaster in bringing America to her feet against aggression before it was too late."

**TIGERS, CHISOX, GIANTS AND A'S WIN TWO GAMES**

By JOE REICHLER  
Associated Press Sports Writer

Hal Newhouse, of the Detroit Tigers, finally is fulfilling the promise he gave five years ago of becoming the finest left-hander in the American league.

The 23-year-old southpaw yesterday became the first pitcher in the league to win 10 games, helping the Tigers take both games of a double header from the league leading St. Louis Browns, 7-3 and 7-5.

He joins Buckly Walters of the Cincinnati Reds as the only 10-game winners in the majors. Endowed with terrific speed and a sharp-breaking curve ball, which helped him strike out 54 men this year, three behind Jack Kramer, the league leader, Newhouse pitched brilliantly at times, but in his four prior years, always lost more than he won.

Fans Five More

In pitching his seventh complete game of the year, Hal gave up six hits and fanned five in the opener. A home run by Rudy York with one on in the ninth gave the Tigers a clean sweep. Paul Trout, in relief, won his eighth victory of the season.

The New York Giants took both ends of a twin bill from the Boston Braves, 9-2 and 7-1, to climb into third place in the National league standings, a half game ahead of the Reds. Phil Weintraub homered in the first game, but had to leave in the third inning because of a strained muscle. Cliff Melton, making his first start since May 19, was the winner in the nightcap, but retired in the seventh inning complaining of a sore arm.

The Philadelphia Athletics downed the New York Yankees twice, 4-0 and 8-6, to drop the world champions into sixth place. Luke Hamlin blanked the Yankees with four hits in the opener, with Frank Hayes hitting his eighth homer to tie Roy Cullenbine for the league lead. A six-run first inning enabled the A's to win the second, 8-6.

The Chicago White Sox took two close games from the Cleveland Indians, 3-2 in 10 innings, and 6-5. A home run by Wally Moses in the 10th won the opener for Relief Pitcher Gordon Maltzberger, his sixth win of the year against one loss. Moses' triple and Leroy Schalk's single in the ninth gave the White Sox the second game.

Cardinals Split

The Brooklyn Dodgers and Philadelphia Phillies divided their two games, the Dodgers winning the first 7-3 and the Phillies taking the second 6-2.

The St. Louis Cardinals and Pittsburgh Pirates split a double header. Mort Cooper won his sixth game in the opener, 12-2, and Fritz Ostermuller tamed the Cards, 3-1, with three hits in the nightcap. Stan Musial connected for two triples and a double in the opener.

After losing the opener to the Boston Red Sox, 9-6, Washington took the nightcap, 1-0, behind the four-hit pitching of Early Wynn.

Cincinnati defeated the Chicago Cubs 5-2 in the first game of a double header before 40,222 fans, the largest crowd of the season, at Wrigley Field. Harry Gumbert, making his first start for the Reds, was the winner. The second game ended in a 6-6 tie called after 13 innings on account of darkness. Bill Nicholson hit two homers for the Cubs.

**LAURELS GAIN OVER WEEKEND**

(By The Associated Press)

The Hartford Laurels breathed easier today—they held the Eastern league lead by a comparatively wide margin of a game and a half.

After several weeks in which a half-game separated Hartford and Albany in their see-saw battle for the top rung, the Laurels picked up a full game yesterday by splitting with Elmira as Albany dropped two to Williamsport.

Hartford lost the first game, 15-5, but came back to take the second, 7-1. Albany bowed by scores of 7-5 and 5-0. Scranton split with Binghamton, winning the first, 2-0, and losing the second, 7-1. Wilkes-Barre came back to beat Utica 1-0 in the nightcap after dropping the opener, 4-3.

Pitcher Bill Marshall yielded only three hits against Elmira in the second tussle. He hurled no-hit ball for the first four innings.

The winning streak of Len Gilmore, Albany mound star, was ended at nine in the first game with Williamsport. Manager Jim Collins, however, connected in both games to run to 22 the number of games in which he has hit safely. Dan Parra and Lou Grassnick were the winning hurlers.

**Lloyd Waner Is Back With Pirates**

Pittsburgh, June 19 (AP)—Lloyd (Little Poison) Waner, now 33 years old, returns today to the Pittsburgh Pirates with whom he played—along with Brother Paul, "Big Poison"—for 14 years, from 1927 to 1941.

Waner, released Thursday by the Brooklyn Dodgers, was quickly signed by the Pirates. President William E. Benswanger announced yesterday. He has been with Cincinnati

**Erie Sailors Lose To Lockport, 11-2**

Buffalo, N. Y., June 19 (AP)—The Lockport Cubs made a bid to regain first place in the Pony league race last night as they defeated the leading Erie Sailors, 11-2.

The sailors, who still have a 15-point edge over the Cubs, made nine errors and got seven scattered hits. Lockport cracked out 16 hits.

Wellsville took a four-run lead over Olean in the first two innings and romped to a 7-4 triumph Olean Patcher Al Brown was forced to retire in the eighth when his left shoulder was dislocated as he reached for his glove on top of the dugout.

Jamestown and Batavia split a doubleheader, the first game going to Jamestown, 3-2, and the nightcap to Batavia, 3-1. Bradford nosed out Hornell, 6-5.

**SPORTS ROUNDUP**

By HUGH FULLERTON, JR.  
New York, June 19 (AP)—Minor chords—or some of the dizzy doings that actually have taken place in minor baseball this season:

**NEVER TOO LATE**

At Rochester, N. Y., recently the Red Wings had runners on first and third with one out against Syracuse. . . . When the next batsman filed out, the guy on third galloped home easily, and the throw to the plate was cut off because there was no chance to catch him. But the man on first wandered too far and was caught, apparently ending the inning. . . . Rochester already had started infield warmups when Dutch Mele raced in from right field and started a mysterious series of convulsions. . . . Infielder Chico Rodriguez was called from the bench, and he tried to get the ball from a couple of Rochester players, who wouldn't give it up. Finally Mele secured another ball from the plate umpire and tossed it to Rodriguez, who stepped on third base. . . . Only then did Ump Roy Van Graffan break his dignified silence to below: "Yer out." . . . It seems that only Mele and Van Graffan had seen the runner leave third before the catch, and the umpire couldn't say anything until a play had been made.

**FAIR CATCH**

In Richmond, Va., a Roanoke player casually caught a pitch as it came up to the plate—and casually handed the ball to the catcher. . . . The umpire called it a ball, and Manager Ben Chapman, possibly incensed at such treatment of his finger's "swift" one, protested that the batter should have been called out for interference. . . . The argument still rages and the result may put ex-Yankee Chapman, who at last report was leading his club in both pitching and hitting, in line for the Piedmont league "protest" title. . . . Right now Eddie Popowski, Roanoke manager, who learned the facts with the House of David, is given that championship by acclaim.

**FAIR AND WARMUP**

Charles (Red) Lucas, former Cincinnati and Pittsburgh flinger, is now, pinch-hitter, relief pitcher and general handy man for the Nashville Vols of the Southern Association. . . . Not long ago Red was called upon to pinch-hit for the Vols' pitcher against New Orleans and singled. That touched off a seven-run rally, so Lucas came up again. This time he walked, and was moved to second by another hit. . . . Just then Manager Fresno Thompson decided it was time to summon his mound ace, Jesse Danna. . . . Since Lucas was scheduled to take over Nashville's mound duties, Manager Larry Gilbert dispatched a courier to second with a glove and ball, and sent Catcher Al Leitz down to third. . . . And while Danna warmed up in the box, Lucas stood on second and fired his own warmup pitches to Leitz.

**NELSON SHOOTS 13 UNDER PAR TO WIN MEET**

By FRITZ HOWELL  
New Rochelle, N. Y., June 19 (AP)—Par golf just isn't good enough any more.

Three years ago, at Fort Worth, Texas, Craig Wood of Mamaronock, New York, was three over par figures for 72 holes, but won the last national open golf Championship.

In the Red cross open at Wykagyl, which closed yesterday, Wood was one under par for 72 holes and finished seventh at 287. Vice Cheez, the Army sergeant from Deal, New Jersey, was nine under par at 279—and could do no better than second.

13 Under Par

Byron Nelson, the tall Texan now playing from Toledo, Ohio, tore the rugged par-72 layout apart with successive rounds of 69-69-66 and 71 to take down the \$2,666.65 first prize with 275 total—13 strokes fewer than the card said he should have taken. And he was 13 under par, despite eight holes on which he slipped over for bogies. He made up that deficit with 19 birdies and a screaming eagle. The eagle came on the 487-yard ninth hole, which he reached with a Wood and Izza. 2 iron, and then holed a 10-foot putt.

The victory ran Nelson's winnings for the year to \$14,341, just behind Harold (Jug) McSpaden of Philadelphia who has propped by \$15,100 in war bonds and stamps. Between them, Nelson and McSpaden have won seven of the 12 tournaments this season. Nelson being six strokes ahead of his foe over that route.

**ROSES UPSET LOOP LEADERS**

(By The Associated Press)

The tail-enders of the Interstate league—Lancaster, York and Trenton—upset the leaders last night as the York White Roses led the assault by blasting the No. 1 Hagerstown Owls 16 to 1 and then blanking them 5 to 0 in the nightcap.

In the Hagerstown massacre, the fifth place White Roses collected 20 hits with Manager Griffiths leading the attack in the first game with five for five. Norm Shope blanked the Owls after giving up six hits in the nightcap.

Trenton duplicated the Hagerstown setback by walloping the third place Wilmington Blue Rocks 12 to 1 in seven innings. The other half of the doubleheader was rained out after one and a half innings.

The league trailing Packers made 12 hits good for as many runs.

The fourth-place Lancaster Red Roses took an 8 to 4 victory over the second place Allentown Cardinals in the opener but the Red Birds came back to take the second 7 to 2.

The Red Roses scored seven times in the first inning of the opener, but Brad Trine held them to four hits in the nightcap.

PLANE HITS BOAT

Pittsburgh, June 19 (AP)—Three of four occupants of a rowboat were injured when a seaplane flying low over the Allegheny river near Oakmont brushed a rowboat with its pontoons yesterday. Coast Guardsmen towed the boat ashore and occupants were taken to Pittsburgh hospital. Police said that the pilot's identity was unknown.

**PARKER STEALS SHOW IN NAAU TRACK EVENTS**

By ORLO ROBERTSON  
New York, June 19 (AP)—For the first time since Frank Wykoff burst into the spotlight 16 years ago, the name of a schoolboy has been written alongside the performances of the nation's greatest cash men in the national track and field record books.

Seventeen-year-old Charlie Parker of San Antonio, Texas, is the youngster who clumped upon the sprint pedestal during the two-day national AAU championships at Randall's Island when he followed up his 100-meter junior triumph on Saturday with victory in the 200-meter senior competition yesterday. Wykoff won the century in 1923 and one has to go all the way back to 1913 to find the name of the last schoolboy that won the furlong dash. That was the year Howard Drew accomplished the feat.

The 200-meter triumph, achieved by a matter of inches over New York's Ed Conwell in the last time of 21.3 seconds, ran to 51 Parker's string of consecutive victories. Today the Texan, rejected by the Navy because of color blindness, traveled up to West Point with the hopes of finding a way to enter the U. S. Military academy.

Clash Cancelled

The heralded clash between Parker and Illinois flat freshman, Claude (Buddy) Young, failed to materialize when Charlie declined to conserve his strength for yesterday's 360 and the Big Ten sprint champion confined his competition to the senior 100-meter dash. Young won his event with daylight to spare in 10.5 after the six finalist had been disqualified because of false starts and the officials finally decided to give all another chance.

Eight champions retained their titles in the senior competition and the New York Athletic Club again ran off with the team championship by scoring heavily in the weight events.

Champions who repeated were Ensign Hugh Cannon in the discus; Henry Ryer in the hammer throw; Arky Erwin in the 400-meter hurdles; Lt. (jg) Cornelius Warner-dam, who cleared 15 feet for the 43rd time in taking his sixth outdoor pole vault title; Earl Auder in the shot put; Fred Shraga in the 3,000 meter walk; Frank Berst in the 56-pound weight throw and Martin Biles in the javelin.

Hulse Winner

Bill Hulse, America's fastest miler, who'll enter the Navy next week, won the 1,500-meter crown, but failed to retain his 800-meter championship when Bob Kelley of Illinois rocketed out of third place on the last turn to win in 1:51.8—one of the best performances of the meet.

Cliff Bourland failed to qualify in defense of his 400-meter title while Lt. (jg) Joe McCluskey, seeking his 15th national steeplechase title was beaten by Forest Eflaw, one-time Oklahoma A&M athlete, now in the Navy.

The only double winner was Elmore Harris, Morgan State runner competing for the Shore AC of Long Branch, N. J. He won the 200-meter low hurdles in 24.1 and the 400-meter run in 48 seconds flat.

Before the war, the United States imported 60 per cent of the world's output of cork.

Yes—  
 frankly, we're  
 "short-handed"

And it goes without saying that you know the reason! Those boys who used to deliver your packages—they're young men now, matured by the emergency. They are taking special training or working in defense plants. And if you miss a familiar face behind the counter, chances are the owner thereof is with the armed forces.

Yes, we are short-handed. But we are keeping up our service standards nevertheless. We know you'll be glad to help when you can, by bringing in your prescriptions; carrying the smaller packages. It's a practical way to help win the war.

## RADIO PROGRAMS

New York, June 19 (AP)—A new composition, "The Magic of the Violin," by Kent Cooper and written in observance of the 300th birthday anniversary of Antonio Stradivari, seventeenth century maker of violins, is to have its premiere at 12:30 p. m. Sunday, July 2, via NBC.

It will be played by the Paul LaValle orchestra, made up primarily of Stradivari instruments, with the concert master, Jacques Gasselin, as violin soloist and with Harrison Knox as tenor soloist.

Cooper long has written music as a hobby, but this is his first work which is largely instrumental. In three parts, the first movement is for orchestra and voice, the second depicts the quality of the violin and the finale is reminiscent of the first. The lyrics also are by Cooper.
